Solotica in Hips
If solotica is in both hips and legs
it may be due to prostate trouble.
However try to find if other causes
are present such as infection or in-
jury. If you have other symptoms
of prostate disturbance which can-
not be helped by massage or ovary
extract, operation is the usual treat-
ment.

THE MOST IMPORTANT ANNOUNCEMENT EVER MADE BY THE U. S. TREASURY DEPARTMENT

The 9 Billion Dollar Victory Loan Drive Is On!

This week the United States Government
begins the task of borrowing nine billion
dollars from accumulated savings and idle
funds in the next several weeks as an essen-
tial part of winning the war more quickly
and more completely.

During these critical weeks you probably
will be visited by a representative of one of
the securities firms or banks which are con-
tributing their time and effort—without
compensation of any kind—to the Victory
Fund Committee. He will explain to you,
for instance, the benefits that you can obtain
from the new Victory *2½'s*—available for
the first time—Welcome him as a war
worker when he calls. If you miss him, ask
your banker or securities dealer for full

particulars. There is no limit to the amount
that you can purchase.

Today many American families are torn
apart. Millions have left their homes or their
jobs; thousands have given their lives and
many more are prepared to do so.

But the government, your government,
is not asking you to give anything to this
Nine Billion Dollar Drive. It is asking you
to *lend* it all of the money you can possibly
invest in what is the safest investment in
the world—at a good rate of interest.

When the Victory Fund representative
calls, please remember this: it is in your
own interest, as well as that of your country,
to listen to him—and to invest.
