Kiwanis Club of Farmington,  
Farmington, Michigan.

Gentlemen:

It has come to my attention that you are again raising money for the continuance of your work for the underprivileged children of this community. I am aware that most of these funds come through the proceeds for your annual show, which is becoming a Farmington institution and I wish you success in your fourth annual venture, "Kiwanis Kapers."

Your good club, and its members, has been an asset to our community since its founding and I sincerely hope that your efforts to raise the needed funds this year will have the same loyal public support that it has had in the past.

Cordially yours,

DELOS F. HAMLIN,  
Mayor, City of Farmington
