FARM VICTORY-WAGONS MUST BE IN FIGHTING TRIM!

VICTORY depends on the kind of fight that the farm puts up behind the battle line. Your farm machines are the "jeeps" and tanks of that fight!

VICTORY-WAGONS must be in perfect condition to play their part in the Food for Freedom program, for on their performance rests success.

VICTORY lies ahead! Keep in the fight—keep up the fight with machinery that is kept in repair. Repair promptly—save minutes; repair efficiently—save materials; and repair economically—save money for War Bonds.
