THE SeaTowers

AT INDEPENDENCE COVE

WHAT MAKES THEM A LITTLE BIT DIFFERENT? (And a little bit better?)

IT'S NOT JUST THE PRICE
The price, of course, is important. Many Florida condominiums are pretty expensive. But we couldn't see any reason for it. That's why the SeaTowers offer high-rise living at low-rise prices. Our 2 bedroom, 2 bath apartments are larger than most 2 bedroom homes. With wall-to-wall carpeting, central heat and air, and complete kitchens, they begin at just \$30,900. Which makes them a little different.

IT'S ALSO THE LOCATION.
The SeaTowers are at Madeira Beach, overlooking the Gulf of Mexico, (from the 2nd floor and up) just big things everyone comes to Florida for . . . the sun, the sea, a magnificent view of Boca Ciega Bay and the Gulf of Mexico, and a private beach.

AND THE BIG THINGS
We really wouldn't dare advertise if we didn't have all the big things everyone comes to Florida for . . . the sun, the sea, a magnificent view of Boca Ciega Bay and the Gulf of Mexico, and a private beach.

THE LITTLE THINGS.
Little things add up, things like shop-

ping, service and security. And little things are important to us at the SeaTowers, like having a modern shopping center and a pleasant restaurant only a block away so you can walk there. Things like 24-hour security, a pleasant clubhouse, a swimming pool, tennis courts and a sauna. And things like plenty of parking and an 18 hole putting green. They are important, and they're what make the SeaTowers a little different . . . and a little better.
