The MP su unable to find the OD, told the caller hwas sorry the officer was unavail-able. "Well, then," the woman on the phone declared, "Please let me speak to the officer of the night!"

Sweathands

A Buffalo, N. Y., concern is making a new type of sponge sweathand to keep the sweat from running into the eyes of war production workers; they had to find substitutes for glycerine and gum rubber.

See Balching Periods Queen bees and westers are hatched from eggs identical in every way. Yet it requires only 16 days to produce a large adult queen, and five days longer to produce a worker.

Mrs. Amelia Riggler and Mrs Guy Morrell were Sunday guest of Mr. and Mrs. Myron Carrier:

We must conserve our limited amounts of gasoline, tires and man hours to maintain gas service in your bome and in war production plants.

If sometimes it seems that our service is not as prompt as usual, please remember Unde Sam has first call on our facilities and man power.

You can belp conserve vital materials by k appliances in good condition and asking for ser y when absolutely necessary. If you do call fer vice, please give us as much time as possible so
