Sarge Takes Order
Seven doughboys with an infantry outfit in the Hawaiian Islands gave their first sergeant an order—and made it stick! The order was to make a trip of 65 miles to Honolulu and buy them each a \$50 war bond with money they had saved. The topic, Robert A. Scruton, recognizing the men were busy with their training, obeyed to the letter. He even had to "sweet cut" a three-hour line because the bond booth was crowded.

Water Light
One cubic inch of water weighs 62.4 pounds.
