

OLD TIME DANCE
SCHEDULED
FOR MAY 20

By popular request there will be another old-time dance at the Farmington Town Hall on Thursday evening, May 20, beginning at nine o'clock.

The dance held last week was scheduled to be the last dance of the season, but there was such a

good crowd out, and everyone had such a grand time that all felt another dance should be held.

Those attending bring a box lunch to eat after the dance is over.

FOR BETTER YIELDS

of Truck and Fruit Crops

CONTROL the insects and plant diseases that cost farmers and growers \$3,000,000,000 a year in unnecessary waste.

Insects alone cause losses averaging 20% of the apple and peach crops... 8% of the cherry. Losses of vegetables, caused by these pests, are estimated at 20% of the onion crops, 12% of beans, 10% of carrots, etc. Diseases add considerably to the total damage.

America needs that extra yield! Protect your fruit and vegetable crops... save that lost per cent by spraying and dusting with Du Pont Insecticides and Fungicides. Order Now!

Laboratory and field tested, manufactured under rigid quality control, du Pont pest controls are reliable, performance-proved products. There is one for every need.

Dear Editor:

I have been going to write for a long time now, but something was always coming up and I kept putting it off.

I cannot express in words my thanks to you for sending me the Enterprise.

It makes one feel closer to home after reading it, and it keeps me posted on the doings of the thriving little city. When I receive it, I read it over several times. I have showed it to my fellow soldiers, and they said how fine a paper it is.

I am taking my training in the Postal and Intelligence Department of the Infantry, and I soon will be through. Then from there on who knows where you may land.

Thank you again for your kindness in sending me the paper.

Sincerely,
Paul G. Mench

PUBLIC INVITED TO ATTEND SCIENCE LECTURE

On Friday evening, May 14th, 1943, at eight o'clock a free public Christian Science lecture will be given by Margaret Matters of New York, in the edifice of Eighth Church of Christ, Scientist, at Grand River and Evergreen Road, Detroit.

The subject of the lecture will be, "The New Heaven and the New Earth as Revealed by Christian Science."

Mrs. Matters is a member of the Board of Lectureship of the Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, and speaks with authority on Christian Science.

This lecture is free and the public is cordially invited. A section of seats will be reserved until 7:5 for those who have never before attended a Christian Science lecture.

Regular services of Eighth Church are held each Sunday at 10:30 and 7:30. Wednesday evening meetings at eight o'clock include testimonies of healing in Christian Science. Sunday School is at 10:30 a.m. for pupils up to the age of twenty.

A free public Christian Science Reading Room is maintained in the church edifice and is open daily. Here the Bible, the works of Mary Baker Eddy and all other authorized literature including the Christian Science Monitor, may be read, borrowed or purchased.

Mr. and Mrs. Rod Mahaney entertained Mrs. May Mahaney and Miss Ethel Cranley at dinner Monday evening, May 3, the occasion being Mrs. Mahaney's birthday anniversary. That same evening at eight o'clock friends of Mrs. Mahaney called and surprised her with a party. Those attending were Mrs. Henry Troumley, Mrs. Nina Troumley, Mrs. Albert Neckler, Mrs. Viola Grace, Mrs. Roy Miller and Mrs. Jack Habermehl.

WALTER LANES TO LEAVE FARMINGTON

The Book Club of the Methodist Church of Farmington descended on masse upon the Walter A. Lanes of Grand River Avenue last Saturday evening for a surprise farewell party.

Every one had a good time, starting with hilarious introductions and following with games. One told the Lanes what they would and would not like about their new home, and another told The Farmer Boy's Love Story. Robert Chapman, president of the Club, presented two gifts, a miniature set of hand tools for gardening and a book of Gilbert and Sullivan operas, edited by Deems Taylor.

Refreshments, prepared beforehand by other members, were served and cheery goodbyes were given.

The Lanes are selling Lane Gardens and have purchased a 120-acre farm near Fenton. In the past two years they have made remarkable progress with Lane Gardens and have participated fully in civic and church affairs. Mrs. Lane was a member of the Farm

and Garden Club and this year Club. Our best wishes go with them, and we sincerely hope they will not forget us, and will be able to return to Farmington once in a while.

Remember Mother's Day

She's a Good Soldier... too!

For every hero on the fighting front, there's a Mother on the home front, who in her own sweet way is the "bravest soldier of them all." She's the one who smiled through her tears as she said goodbye to the man in uniform whom her heart kept remembering as a new born baby placed in the crook of her arm for the first wonderful time—eighteen or twenty, or thirty, or more years ago. She's the one who comforts and cheers and feeds the boy or girl in the war factories of our land. Always sweet, courageous, cheerful; making the best of little to help her country—her boy win. Every son and daughter in the 'nd and overseas salutes her.
