# What You Buy With WAR BONDS

African coasts the Crocodile Boat or tank lighter played a most impor-tant role in lending our invasion ar-mics. These self-propelled, light ... fast beats haul tanks, artillery and other equipment from the big ships off-shore to the beach heads.

We need more and more of them, for they are essential to the successful operation of the war. They are made in several sizes from small fifty-footiers, costing about \$2.400 to the big \$500-toners costing around \$37,000. Your purchase of Was Bonds every payday will help pay for them.
