Shock Treatment Traching outlines for first aid workers should be modernized at once by modifying those portions dealing with external heat for the alleged prevention of treatment of shocks, authorities say. Instead of warming the shocked patient, as has been the general custom in the past, he should be allowed to main-ment of the shocked patient of tem-ion that the shocked patient is and past, he should be allowed to main-ting the shocked patient of tem-tors and the shocked patients and the shocked and the shocked patients and the shocked patients and the shocked patients and the shocked patients and the shocked and the shocked patients and the shocked patients and the shocked patients and the shocked patients and the shocked and the shocked patients and the shocked patients and the shocked and the shocked patients and the shocked patients and the shocked and the shocked patients and the shocked patients and the shocked and the shocked patients and the shocked patients and the shocked and the shocked patients and the shocked patients and the shocked and the shocked patients and the shocked patients

Nomination of officers for the Groves-Walker Post will be held at the next regular meeding on Thursday, June 10. All members should be at this meeting. Election of officers will be held on June 24. Lunch will follow each of these meetings.

The Post wishes to extend their thanks to the Cub Scouts for their collection of playing cards for the boys in service.

Camp Prisk, want to thank you ready to the promote the promotweethers and the prise that the prisk has when I have appreciated anything for the prisk part when I have appreciated anything to the prisk part when I have appreciated anything to the prisk part when I have appreciated anything the prisk part when I have appreciated anything the prisk part was the prisk part was the prisk part when I have a prisk part was the prisk

Michigan has been quite bad. It seems that Washington and Michigan have the same kind of weather, cold one day, rain almost every day. I sure would rather be in Michigan.

Sincerely yours,
Private Rugh, A Schulkins
