IN LOVING MEMORY OF OUR "DAD"
The Death Angel visited our home a year ago today, June 16, 1942 at 4:00 a.m. and gathered from us one we loved dearly than life, our "Dad."
His years with us were joy and Sunshine. Oh! How he is missed at home and by all of us.
We cannot say and we will not say that he is dead. He is just away. With a cheery smile and a wave of the hand, he has wandered into an unknown land and left us dreaming, how very fair his needs must be since he lingers there.
And you, who so wildly yearn for the old time step and the glad return, think of him faring on, as dear in the land of there as the land of here, think of him still as the same. We say, he is not dead, he is just away.
The Cairns Family. 35-1-p

IN MEMORIAM
In loving memory of Mary Dorothy Rock, who passed away one year today, June 17, 1943.
"Her life a beautiful memory. Her absence a silent grief. She sleeps in God's beautiful garden
In the sunshine of perfect peace."
Sadly missed by her husband, sisters and brother. 35-1-p

GARD OF THANKS
We wish to express our thanks for beautiful flowers sent to us at the passing of our son and brother, Roy Newschafer.
Mrs. Joseph Newschafer
Mrs. Earl Sarver 35-1-p

Sick Calves
A serious disease known as bovine acidosis may be prevented from "scuttling" part of wartime food output if cattle owners will follow practices of cleanliness and segregation in caring for their animals. Feeding young calves in individual box stalls is the surest way to prevent the disease, experts say. Manure and contaminated bedding should be removed daily. After six weeks in isolation, calves may be allowed to run in a large feed lot with others of approximately the same age.

BEESY BEAVERS
Dams built by beavers depend upon the topography, the depth of water, the distance between banks and the availability of construction material. All members of a beaver colony aid in repairing dams. Even the kits take a hand in the work. Males are first to attempt repairs, but when they fail, every member of the colony - even a hand.

Jerre Heeney will graduate from the Eighth Grade, at Holcomb School, Redford, on Tuesday.

94 Below Zero
The lowest temperature ever recorded by any weather station in the world, 94 degrees below zero - was registered at Verkhoyansk in Siberia.
Order Bibles
Free New Testaments for rafts and lifeboats must be supplied by ship operators, according to an order of the War Shipping Administration.

To get the Most in Nutrition and Taste from the Season's Crop of fresh vegetables and fruits—serve them uncooked, cooled, mixed together to be especially flavor-full—in crisp tempting salads.
