IN PARADE OF UNITED NATIONS

CHUNGKING, CHINA—Chinese boy scouts march past the reviewing
stand on which Generalissimo Chiang Kai-Shek and other high
Chinese government officials take the salute at the big parade that
marked United Nations Day in Chungking. More than 100,000 persons
marched in the parade behind the flags of the United Nations. A
tea was given by the Generalissimo for allied notables.

Finland Land O' Lakes
Finland's Arctic shroud is ancient
history written in the thousands of
lakes gouged out by the glaciers in
their southward push. Best of all
European lakes is Lake Ladoga, be-
tween Finland and Russia.

Fungal Attack Wood
Fungi attack all wood, but affect
sawwood to a greater extent than
heartwood. Spores of "wood-destroy-
ing fungus" germinate to form
masses of growing threads which
penetrate and decompose wood
cells.
