## RECORD CROWD AT BOND FAIR

A record crowd attended the annual Fair held at Bond School on Saturday evening.

A surprising amount of candy and cakes was donated, and all were sold out almost as soon as the booths were open. The Country Store sold everything from a jar of jam to a live chicken. The children greatly enjoyed the Hobby and Pet Show held this year for the first time.

The show held before the fair opened was a huge success. Much thanks goes to the Banghart and Kosmanek boys for coming over from the High School to put on a song and dance.

A grand time was enjoyed by all.

## DELINQUENTS TO BE ORDERED FOR INDUCTION

Michigan's 3284 draft delinquents have until Nov. 1 to report to their local boards and clear their delinquency status or be ordered for induction immediately after that date without further consideration of their cases. It was announced today by Brig. Gen. LeRoy Pearson, state Selective Service director, as revised delinquency regulations were issued to local boards.

With 47,457 delinquency cases pending before the Department of Justice throughout the nation, the continuing manpower demands of the war effort make it imperative that Selective Service delinquents be handled more quickly and efficiently than heretofore. The policy which becomes effective Nov. 1, will make available promptly for service in the armed forces or for prosecution every person acceptable to the armed forces who knowingly becomes a delinquent.

The new regulations prescribe that all violators of Selective Service requirements in the age group 18 through 41 will be immediately classified into a class available for service after Nov. 1. Delinquents aged 18 through 37 will then be ordered to report for induction without further delay. If the delinquent fails to comply with such order, his case will be turned over to the U. S. Attorney for prosecution.

Authority is now granted to local boards to proceed with the classification of a delinquent without the aid of his questionnaire or other documents which he fails to file with his local board in the time permitted. Authority is also provided for the registration of a nonregistrant delinquent and his classification and induction by any local board before which he is brought or to which he reports. A delinquent registrant ordered to report for induction may be inducted by any local board to which he reports or before which he is brought by law enforcement agencies.

Lt. Col. George C. Moran, state headquarters administrative officer, has been appointed by General Pearson to supervise the program in Michigan. He will coordinate the Selective Service work with that of the Department of Justice, cooperating with the U.S. Attorneys John C. Lehr in the Eastern Michigan district and Joseph Deeb in Western Michigan.

Of the 2,284 registrants currently delinquent in Michigan, 2,125 have been reported from the Wayne County area. It is expected that the new program will result in a general reduction in delinquencies after Nov. 1. Every effort is being made by local boards prior to that date to clear up those cases where registrants
