Can Still Send Some Gifts

Christmas packages for soldiers overseas which have been returned to the sender because of an improper address still may be mailed, according to the War Department. The original wrapper, bearing the endorsement, "Return To Sender, Insufficient Address," must be submitted with the correctly addressed package to prove that it originally was mailed before October 15 deadline. Christmas packages also may be mailed to soldiers going overseas between now and Christmas. When the sender

presents his package to the post office for mailing he must bring the Change of Address Form containing the APO address to which the package is being sent.

Return Ration Books in Mail Finders of lost ration books may drop them in the mail without prepaying postage or enclosing them in envelopes, according to OPA. On payment of a five-cent postage-due charge, the Post Office Department will return the lost book to the person whose name and address appear on the cover. When the addressee cannot be found, the post office will forward the book to the nearest rationing board.

Get Points To Send Food Overseas Persons who wish to send a package of rationed food overseas

may get the necessary points by applying to OPA. Those who wish to have the dealer from whom the food is bought arrange for shipment, may make the purchase without giving up ration stamps, since OPA will replace the point value of the foods the dealer exports. When extra ration points are issued, a copy of the Export Declaration or a Certificate of Mailing must be turned over to the OPA office which granted the points.

To Produce More Household Goods increased production of cast iron skillets, kettles, Dutch ovens, and flat irons for household, institutional, commercial, and other uses is permitted under a recent revision of WPB Order L-30-C. To Collect Old Clothing, Rags A nation-wide collection cam-

aign for discarded clothing, used fabrics, and rags is being planned to meet heavy industrial and military requirements for wiping cloths, according to WPB. Officials emphasized that they do not want clothes that the owner will wear again or can use. The discarded clothing also will be used for local relief and relief and rehabilitation purposes abroad. Materials collected will be separated and classified for best possible use. It is expected that the collection program will be handled by individual states and communities.

Urges Farmers To Collect Scrap In support of the all-out "Victory Scrap Bank" drive to collect iron and steel scrap, Marvin Jones, War Food Administrator, has urged farmers to comb their farms for all possible scrap. Pointing out that next to industry, the greatest source of heavy scrap is the American farm, Mr. Jones said, "American farmers are doing the greatest food production job in history.

However, if we are to insure ample steel for wartime production, millions of tons of scrap iron and steel must come from our farms in the next six weeks."

Report On Third War Loan Final figures for the Third War Loan showed \$18,943,000,000 worth of bonds sold. Under Secretary of the Treasury, Daniel W. Bell reported recently. Sales to individuals, the first objective of the drive, exceeded the five billion dollar quota by 377 million dollars.

Extra Ration Points For Some Persons who reside in remote areas and are unable to obtain their minimum nutritional requirements of fresh milk will be eligible to receive extra ration points to purchase additional amounts of rationed meats, fats, and dairy products, according to OPA.

Use Synthetic Rubber For Elastic Thread Synthetic rubber may eventually be used in garters, suspenders, foundation garments, and underwear.

Remember Me?

I'M THE GUY who looked at you from a USO poster little over a year ago.

I'm the guy you forked over \$34,000,000 for—so that, through the USO, you could let me and all my buddies know that someone home still thought about us—still cared enough not to want us to miss out on any of the things we were in uniform fighting for.

A hot cup of coffee for example, when you come in all grimy and tuckered out from a little "business" trip...

A club house with easy chairs to melt into and desks to sit at and write home and a dance floor and some decent girls to give us out here a little reminder of what it's still like back there.

You remember, don't you?

You probably dug deep for a lot of other things that year, too...for British War Relief, United China Relief, and so on. Well, this year it's going to be simpler for you. Because this year, seventeen war relief agencies have banded together into one great big campaign—to make it easier for you to give, and easier for them to distribute the funds.

They're calling this one big campaign the National War Fund, and it includes most of the major war relief agencies. Because it does, this time you are only asked to give once for all seventeen.

And take it from me, as one who ought to

know, that contribution you're going to make is one of the greatest things you can do to bring about victory. Not just because part of it's going to USO to do wonders for the morale of the fellows under arms, but because a good deal of it is going to help relieve distress at home through local agencies—as well as abroad, to help keep our allies in the fight.

So when you're asked to give to the united campaign of the National War Fund and our community's own war fund this month, remember me. Every dollar you give to the National War Fund helps me out in countless ways, and does its bit to bring me home sooner.

Give in a big way, will ya?
