UNIQUE HELP FOR HOUSEWIVES

SPL. CFI PHOTO to the Enterprise from the Washtenaw Post-Tribune, Ann Arbor, Mich.—There's no catch to the sign shown at top of picture (above) of the Dixie Market at Ypsilanti, for you really can shop here without any ration points. CFI photo notes that there is no reason to investigate because the answer is simple—the store handles nothing for which ration points are required. Some 2,000 housewives each week find that they can plan satisfying meals from Hart's unrated foods. There's everything from dehydrated soup to California and Texas nuts (they) nothing of fresh fruits and vegetables in which the shop specialises. The ingenious proprietor, Raymond E. Hart, is in the rear center of picture.

ELECTRICITY

is NOT rationed —
Let's keep it that way by

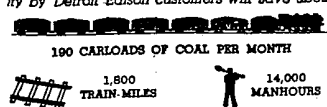

VOLUNTARY CONSERVATION!

Electricity is cheap and unrationed and there is no shortage of electricity in this area. But because there is an urgent need to save coal and manpower and transportation for war, the Government is asking for VOLUNTARY conservation. This means turning off all lights not actually in use. It means remembering to turn off the cellar light and the porch light and lamps in unoccupied rooms. It means the careful use of electric appliances. It means keeping lamp bulbs and reflectors dust-free, and "sharing the light" wherever possible by making one reading lamp serve two people.

If you and every other American will do these things, thousands of tons of coal will be saved every day—coal critically needed NOW. No one wants electricity added to the list of things rationed. All of us would rather save VOLUNTARILY. Here is a chance to prove that voluntary, self-imposed rationing will work. The Detroit Edison Company.

SEND CHRISTMAS GIFTS BY DECEMBER 10!

To facilitate the movement of heavy war business and travel expedient to break all records during the holidays, the Office of Defense Transportation urges the public to complete the sending of all their personal Christmas packages by December 10.

In response to a request of the O.D.T., the Railway Express Agency is taking an active part in this endeavor. It is bringing the message to thousands of shippers, in business and residential districts throughout the country served by its 24,000 miles of lines.

Retail and department stores everywhere are giving full support to the drive, which according to Railway Express, will help keep war materials moving on schedule and enable service men and women, on leave, to get home during the holidays.
