point to visit their brother,

other relatives here. She will be  
joined later by her husband, who  
will make the trip home with her.  
The Sunshine Sisters held their  
regular meeting in the Neighbor-

One of the nicest and best at-  
tended services ever held in the  
Neighborhood Church took place  
last week Tuesday evening when  
the new hymn books "In Memory  
of Emily C. Broquet" were for-  
mally dedicated. The affair was in  
charge of Rev. Gordon Cameron,  
pastor of the Strathmore Baptist  
Church. He was accompanied by  
the Hall family who with their  
vocal ability and stringed instru-  
ments added much to the enjoy-  
ment of the occasion. Several  
songs from the Gaydon Avenue  
Baptist Church were also sung  
and rendered pleasing vocal selec-  
tions. Ina Mae Tallman sang "In  
the Garden" and Leonard Broquet  
also sang. There was much en-  
thusiastic hymn-singing by the  
general audience. All told it was  
one of the finest musical programs  
ever produced in this locality.

The offering was quite generous  
and will be used to swell the  
birthday pennies contributed by  
the Bible School, which is interest-  
ing in a certain leper colony, for

Letters To  
The Editor

Dear Sirs:

I read the letter in the last issue  
of your paper about the Honor  
Roll, on the corner of Grand River  
and Farmington Roads, and I  
would really like to know why  
the names of our servicemen can't  
be put on there—I mean the ser-  
vicemen from Farmington.

All of these men are fighting  
for us. Why not put all of their  
names on?

**This December 7!**

A date to remember by ACTION, not words!  
Our boys on Wake, Guam, Corregidor . . . in  
the entire Pacific area have been doing some-  
thing about it — dropping their bombs, and  
sinking their bayonets and pouring out the  
lead of their rifles in payment to the enemy.  
We at home have to do something about it —  
until the day of Victory! We have to stick to  
our "battle stations" in whatever kind of war  
job we are doing. We must redouble our efforts  
in Civilian Defense, we must salvage metal,  
paper, fat, as though our lives depended on it  
— because they do. And above all — **WE  
MUST BUY WAR BONDS** — and buy them  
continually until the war is over.
