More Coffee, Cocoa in 1944
Civilians will get more coffee, chocolate, and cocoa in 1944 than in 1943, according to the War Food Administration. Four pounds more of coffee and one-half pound more of cocoa beans have been allocated for each civilian.

Extend State Of Ration-Free Shoes
Sales of certain (chiefly novelty) types of women's shoes, ration-free, at three dollars or less a pair, have been extended an extra week—through February 5, OPA has announced.

To Fight Gas Black Market
A plan whereby gasoline ration coupons are mailed to individual motorists from carefully guarded central issuing stations is now being established by OPA. The plan is expected to eliminate the thefts of ration coupons, give OPA a check of issuance, and eliminate a great deal from local boards. To further fight black markets, about February 1 OPA will issue a notice urging endorsement of the 10 points to be inserted in newly issued gasoline ration books.

Pork From Farm Slaughterers
Twelve red stamps in book four which are numbered "3" and lettered from "A" through "M", may be used for buying pork and other meats from farm slaughterers. These stamps will not be used by consumers in general until February 27. They will have same expiration dates for purchases from farmers as in city markets. The stamps are worth 10 points each, making a total value of 120 points. This does not give the individual who buys from a farm slaughterer a larger meat ration than anyone else. It merely allows him to buy a fairly large amount at one time. In addition, brown stamps in book three may be used ahead of their regular validity dates when used in buying from farmers.

See Where War Bond Money Goes
Employees of the Department of Agriculture were the first government group to inspect the U.S.S. American Mariner, new Liberty training ship for the U.S. Merchant Marine, and see how their war bond money was being spent. This ship is the largest ever to sail up the Potomac river to Washington. Claude R. Wickard, Secretary of Agriculture, told the employees he expected them to achieve their fourth war loan goal of \$4,775,502 and pointed out that they had over subscribed their third war loan quota by almost 25 per cent.

Steel Springs For Furniture
In about 60 days, steel springs for upholstered wood furniture will be on the market, according to the War Production Board. Manufacturers may use a limited quantity of steel springs under a new WPB ruling.

Returned War Dogs "Reprocessed"
When the war dog comes home, he will return in his pre-war state of docility with an honorable discharge certificate and service record, the War Department has announced. Dogs are "reprocessed" to assure their welcome return to the community, and are taught to be friendly with all rather than the few to whom they were officially detailed for war duties. Dogs are given a thorough physical examination before being sent home and are returned at government expense.

NORMA GILMORE MARRIED AT MINNESOTA HOME

Miss Norma Gilmore, daughter of A. G. Gilmore of Winnebago, Minnesota, chose Wednesday, Jan. 12, for her marriage to Howard Johnson of Welcome, Minnesota. The ceremony took place in the Gilmore home at 4:00 p.m.

Miss Gilmore wore a floor-length gown of white satin with sweetheart neckline and fitted bodice. Her finger-tip illusion veil was held in place by a tangle of seed pearls. White roses and sweetpeas made up her bouquet. Her only jewelry was a double strand of pearls.

Her attendants were Miss Ruth Refuss, of Albert Lea, as maid of honor, and her niece, Barbara Gilmore, junior bridesmaid. Their gowns of tulle and silk respectively, were of rose and aqua respectively. Their bouquets were shaded pink carnations and each wore a silver bracelet, a gift from the bride.

William Johnson, of Blue Earth, brother of the groom, and Russell Gilmore, of Shakopee, brother of the bride, attended the groom.

Immediately following the vows Mr. and Mrs. Johnson received the best wishes and congratulations of the fifty close friends and relatives assembled.

A two-course buffet supper was served. A three-tier wedding cake, topped with a miniature bride and groom, graced the table and yellow' tapen and jonquils added to its beauty.

For her going-away costume, the bride wore a dress of soft wool, watermelon red color, with which she wore black accessories. After a short wedding trip to Chicago, the Johnsons will be at home on their farm near Welcome.

Before her marriage Mrs. Johnson taught the primary grades in the Storden, Minnesota, Farmington and Farmington, Michigan schools. Mr. Johnson is a graduate of the Eastern High School and attended Ames Iowa, State College.

GIRL SCOUT COLUMN

The Girl Scout Council members were at the leaders meeting held at the home of Mrs. Charles Anderson on Monday evening, January 10. Mrs. Lathrop of the Red Cross unit was there, and gave many good ideas for Girl Scout projects which could be worked out by each troop. Each troop is going to help out the Red Cross making some of these articles. Troop projects will be disclosed later.

Don't forget to turn in your Christmas cards at the Enterprise office. Any Christmas cards you were not planning on saving, would be greatly appreciated by the Girl Scouts for a project they are working on. These will be used by our soldiers that are confined in hospitals. Turn them over to a Girl Scout or to the Enterprise before February 1.

The baked goods sale held recently by Mrs. Udell and the girls of Troop Eight was a big success. Congratulations.

Mrs. Mary Rutala
(January 20, 1944)
The Girl Scout leaders and committee people met at the home of Mrs. John Toth on Eight Mile Road Monday, for their annual meeting. Mrs. Toth was elected chairman of the group, Mrs. Nina Wild, secretary, and Mrs. Peace, treasurer. Refreshments were served by the hostess. It was agreed that Girl Scouting in this community has to spread its wings and get more leaders interested and training can be handled under the capable leadership of Mrs. Carrouthers. The clubs and churches are to be combed for prospective leaders and committee people, and on February 1 a meeting is called at the High School for all those interested in Girl Scouts, men as well as women.

IN MEMORY OF SANDRA ANN BAILEY

Little Sandra Ann whom we dearly loved,
Was called by The Maker up above,
Your place no other one can fill,
A voice we dearly loved is still.

One year ago today we gently laid you away to rest,
And God in his wisdom knows what is for the best.

We will never forget your sweetness and the little things you said,
The tiny ribbons on your hair, were like a halo on your head.

Your Teddy Bear brings me close to you,
As I hug him like you always would do.

Remember when it would be time for your nap,
I'd sometimes end up with you and Teddy on my lap.

Your Daddy and I miss you so much, My Dear,
But by our side we know you toddle and we feel you are near.

Sadly Missed
Mr. and Mrs. Bailey.

Because Cranbrook has no second team, Farmington's squad has scheduled a game with Clarenceville varsity on Friday, Feb. 11.
