Dear Sir:
Once more I'd like to thank you for sending the Enterprise. I'm still receiving it regularly and appreciate it very much. As you may have noticed, my address has been changed a wee bit. Not much, but just enough to mix up my mail. It's slow enough as it is.

The last I read about the Farmington basketball team they were going great. Here's hoping they keep it up. They have us playing Rugby and Soccer now—more fun. Everything is going along fine and plenty busy. We'll thank again for the paper and bye for this time. Sincerely,
Private Herman E. Maas
