WEEKEND FEATURE SUPPLEMENT/OBSERVER NEWSPAPERS

Valentine's Day is hearts and flowers,  
candy and cake, parties and  
cards, but there is more.  
Mostly the day comes alive on the faces  
of people who care about someone  
besides themselves...there is a warm inner  
glow that comes through in the smiles and a  
certain sparkle in the eyes...for the young and  
the young at heart, it's a day to enjoy and  
remember long after winter's  
snows have melted.
