CARPET CLEANING SPECIAL

Deep Clean Extraction Process

As a special introductory offer, we're giving 15% off on a newly perfected wall to wall loose rug cleaning process.

A soil emulsifying agent is forced deep into the carpet by pressure injection. The soil is then extracted by a powerful vacuum, leaving your carpets just like new. Also call us for your carpet repair and furniture cleaning needs.

"Grow old along with me!

The best is yet to be.

The last of life, for which the first was made:

Our times are in his hand

Who saith, "A whole I planned,

Youth shows but half; trust God: see all, nor be afraid!"

From Rabbi Ben Ezra by Robert Browning
