DONALD NOGGLE
ASKS RE-ELECTION
AS PROSECUTOR

Donald C. Noggle, Republican incumbent Prosecuting Attorney, has recently announced his candidacy for the office of Prosecuting Attorney for Oakland County.

On February 15, 1944, Donald C. Noggle was appointed Prosecuting Attorney of Oakland County by the three Circuit Judges to fill out the unexpired term of his deceased predecessor. In announcing his candidacy for the office of Prosecutor, Mr. Noggle stresses his five years of experience in the Prosecutor's Office as chief assistant prosecutor. Since taking over the office of Prosecutor, Mr. Noggle has announced that his policies as Prosecutor will be that of strict, efficient law enforcement, based on fair, impartial and judicious handling of the problems that come to his office. Mr. Noggle pledges to the public that he will continue in office under obligation to no group or individual and will be free from any type of pressure from any quarter. He believes that the office of Prosecutor should be devoted to a conscientious, careful law enforcement program and to that end he is prepared to do his duty.

Mr. Noggle further stated that the office of Prosecutor should be open to returning veterans who need counsel and legal advice on problems affecting the law enforcement program of the County and he assures the public that he will do all in his power as Prosecutor to facilitate the re-assimilation of returned veterans into normal civilian life.

"During my five years as chief assistant prosecutor," said Mr. Noggle, "I have been disturbed by an increase in the number of juvenile crimes. While under the law, the office of Prosecutor is somewhat limited in the handling of juvenile matters, nevertheless I believe that an intelligent understanding and study of youth problems is an essential part of my duty. I propose that during the next two years, if I am retained, to instruct my staff to study carefully the social and economic problems which give rise to juvenile delinquency and to do all in our power to cooperate with juvenile authorities toward bringing about a rehabilitation of youth rather than an ill-considered prosecution. The public may be sure that if I am retained as Prosecutor, important office that Oakland County will never be a haven for gamblers and other criminals and that the prosecution of law-breakers will be relentless and conclusive."

DONALD C. NOGGLE

Mr. Noggle is 42 years of age and resides at 564 W. College Road, Pontiac, Michigan, and is married and has one three-year-old son. He received his education in the public schools of Pontiac, is a graduate of Pontiac Junior College and the Detroit College of Law. While attending law school, he worked as a clerk in the Pontiac Municipal Court. After receiving his Bachelor of Law degree, Mr. Noggle has successfully been an Oakland County Circuit Court Clerk, a general practitioner of law, a special legal advisor to the Oakland County Treasurer, and the last five years he has spent in the Oakland County Prosecutor's office as chief assistant. The fact that Mr. Noggle was chosen by the unanimous vote of the Circuit Judges of this county to fill the vacancy due to the death of his predecessor speaks well of his qualifications. He is a member of the All Saints Episcopal Church of Pontiac, the B.P.O.E., the Eagles, the Moose and the Pontiac Exchange Club.

Mr. Noggle promises the continuance in office of his well-qualified staff of assistants and promises the public courteous, aggressive and impartial handling of their problems.

Mr. and Mrs. Ben Meade and Mr. and Mrs. William Lecuyer and daughter, Gloria of Lincoln, Mich. were weekend guests of Mr. and Mrs. G. A. Tarr and daughter, Anna Mae. Gloria will remain here for the summer.

Mr. and Mrs. Robert Muether and son and Mr. and Mrs. Harold Westfall and children were the guests of their parents, Mr. and Mrs. Ralph Auten on Father's Day.

Mr. and Mrs. Leo Seeger and son of AlbeeKay were Sunday guests of Mr. and Mrs. Louis White.

"During my five years as chief assistant prosecutor," said Mr. Noggle, "I have been disturbed by an increase in the number of juvenile crimes. While under the law, the office of Prosecutor is somewhat limited in the handling of juvenile matters, nevertheless I believe that an intelligent understanding and study of youth problems is an essential part of my duty. I propose that during the next two years, if I am retained, to instruct my staff to study carefully the social and economic problems which give rise to juvenile delinquency and to do all in our power to cooperate with juvenile authorities toward bringing about a rehabilitation of youth rather than an ill-considered prosecution. The public may be sure that if I am retained as Prosecutor, important office that Oakland County will never be a haven for gamblers and other criminals and that the prosecution of law-breakers will be relentless and conclusive."
