**Bedding Dust**  
Protection of allergic patients  
from bedding dusts is an important  
medical problem. Up-until a few  
years ago inflated rubber mat-  
tresses and pillows were the only  
recourse. According to a prominent  
New York physician, true relief for  
many allergic patients is now pos-  
sible through use of special en-  
casings for pillows, mattresses and  
box springs.
