## DeROY JEWELERS TO CELEBRATE ANNIVERSARY

An advertisement elsewhere in this issue announces the fourth annual celebration of the DeRoy Jewelry Company, 21618 Grand River Avenue in Redford.

Few business enterprises have achieved the great success in such a short time as has DeRoy Jewelry. Their success story is simple. "When we first opened our doors," said Sam Barbas, DeRoy's General Manager, "we were determined that DeRoy's would be The Jewelry Store, not just another jewelry store, but the one where the good neighbor policy, instilled in our staff the spirit of friendly and sincere service, and maintain the sales policy of offering only the best merchandise that market had to offer at common sense prices. Four years have proven our policy to be a sound one and today DeRoy has two busy stores and, more important, the knowledge of having made thousands of loyal friends throughout our business community.

"Even though there is a serious shortage of merchandise," said Barbas, continued, "we have made every effort to give our loyal patrons an opportunity to satisfy their immediate jewelry needs or make advance Christmas gift purchases during our 4th Anniversary celebration, and will feature a fine selection of diamonds, watches and other jewelry articles at special anniversary savings."

DeRoy's feature nationally advertised merchandise in watches, jewelry and other articles. Every adult visitor will receive a beautiful glass fruit bowl free during the Anniversary, no purchase being necessary.

## LETTER TO THE EDITOR . . .

Dear Editor:

Do Members of Congress, from Michigan, know that for several months a man has been collecting money, house to house, showing his credentials to be Russian, claiming relief? Or is it used for election?

As long as they have Lend-Lease, this should not be allowed. I am always told the Community Fund takes care of any relief.

A Suspicious Reader.
