Volody Regentik, S 2/c USNR, is home on furlough, visiting his wife, Pauline, and daughter, Sharon. He is stationed at San Pedro, California.

After spending a 30-day leave at the home of his mother, John B. Curry, RM 2/c, left for San Francisco, California, November 4. He was accompanied as far as Chicago by his uncle, Harry Winters, Mrs. Caroline Grödsinger and Miss Donna Gollmer. He was met in Chicago by his cousin, S 2/c Harry Winters, Jr., of Great Lakes and they spent a few hours together.

Earl B. Bezesky left for the Army on October 31. He was presented with many nice gifts at the farewell party given by his friends at the home of James

Crust. He reported to Fort Sheridan, Illinois, for a few days stay before being assigned to a more permanent camp.

T/Sgt. William Pauline has left to report for overseas duty.

Nash Brewington has been given an honorable medical discharge from the United States Navy and has returned to his home at 21624 Middlebelt Road.

Mr. and Mrs. Joseph DeVriendt have received word from their son, Joe, that he has changed locations, after another seizure of malaria, but is again feeling fine.

S/Sgt. S. Roy Stone, son of Rev. and Mrs. A. Stanley Stone, his wife, Ardis, and daughter, Priscilla, were home on a 12-day furlough. Sgt. Stone is a radio technician at the LaPlata Army Radio Station, Maryland.

The 10th Air Force B-26 Marauder group of S/Sgt. Robert H. Paul, 20805 Pearl Street, Farmington, has been awarded the Croix de Guerre with palm by the French government for precision attacks on bridges in support of the French ground forces in Italy.

Sergeant Earl Stirling of the United States Marine Corps is home on 15 day furlough, from Cherry Point, North Carolina. He just missed seeing his brother, Cliff Stirling by a few days, as Cliff has now begun training at Great Lakes, Illinois.

Bacon found the ball-hawking Ferguson with another pass, placing the ball on the Redford Union 9 yard line. At this juncture, the Redford Union forward wall arose to stop the onrush of the now touchdown-hungry Falcons. With fourth down and 9 yards to go for a touchdown, it seemed as though the Falcons were going to lose a battle against the hour glass, but Bacon again hit the "slippery" Ferguson with an aerial bomb which exploded in his arms in the end zone. Ferguson caught the ball in an almost kneeling position as he grabbed the ball away from two Redford Union defense men. Bacon droppicked the extra point, giving Farmington a 16-12 lead.

Redford Union received the kickoff, taking to the air in an effort to score. Miller came through again with an interception to end Redford's last hope for victory. The clock ran out before the Falcons could score again, giving them a 16-12 win and a perfect season.

The 1944 edition of the Farmington Falcons thus went through the season undefeated and untied. The fortunes of football have placed them high in state football circles. In view of its record, the Falcons might lay claim to a myth-

ical state championship, but no such claim is expected from Coach Bob Hutton or other school officials. The versatile eleven which represented Farmington this year on the football field is tribute enough to Coach Hutton's ability to bring individual stars into a consistently winning ball club. High praise must go also to the seniors that formed the backbone of this year's team. "Doc" Ashenbrenner, Fred Hamlin, "Corky"

DeVriendt, Sam Erwin, Bill Doll, Rennie Bacon, Milton Knight, Dick Banghart, Clyde Yokom, Ed Norton and Cyril Schellers are the seniors who have completed their football careers for Farmington. These boys were a continual inspiration and guiding light to the underclassmen. Once again the Falcons have put away their meekness, and we must now wait until next fall to be served thrills ala Hutton and company.
