Timely items of interest and value... helpful suggestions about cooking, lighting and appliance use.

OUTDOOR CHRISTMAS LIGHTING. For the third successive year, the Government is asking everyone NOT to use decorative OUTDOOR lighting in observing Christmas. Electricity requires coal for its manufacture — and the fuel situation is critical in most areas of the United States. Be patriotic — save electricity to save coal. Limit your use of decorative holiday lighting to an indoor Christmas tree.

FOR HOLIDAY DINNERS. Recommended by our Home Service Department, this piquant salad adds zest to any meal:

Molded Cranberry Salad

2 cups cranberries 1/4 cup chopped celery
 1 cup boiling water 1/4 cup red apple, chopped
 1 cup sugar 2 tbsps. chopped pecans
 1 1/2 tbsps. granulated gelatin soaked in 1/4 cup cold water Mayonnaise

Cook cranberries in water 20 minutes. Force through strainer, add soaked gelatin and stir until dissolved, then add sugar. Fold in apple, nuts and celery after mixture begins to thicken. Pour in mold and chill. Serve on lettuce, plain or with mayonnaise.

POPULAR ENTERTAINMENT. Nelson Eddy, great and popular baritone, sings for you every Sunday afternoon at 4:30 p.m., over station WJR. Celebrated guest stars and Robert Armstrong's famous orchestra assist Mr. Eddy in making *The Electric Hour* one of the high spots on the air. *The Electric Hour* is sponsored by this area by The Detroit Edison Company.

"4-for-3" OPPORTUNITY! No one needs urging to make a gilt-edged investment that returns four dollars for three. This is just another reminder that December is the month of the Sixth War Loan Drive, and there's still time for you to buy your quota—one extra \$100 bond. Do your part to swell the nation's total in this important undertaking. Buying war bonds isn't a sacrifice... it's a privilege and an opportunity!
