**Greyhound Announces** 

# THROUGH SERVICE

Clare, Alma, St. Johns

via Lansing

## Beginning April 20th

As part of its program to keep in step with the needs of wartime travelers, the Greyhound Lines will operate buses over the route formerly served by Foster Bus Lines, between Lansing and Clare. This service—which provides a time-saving link with many other points on Greyhound routes—will be an added convenience for travelers from this city. Leaving times are shown below for handy reference—ask the Greyhound Agent for additional information about schedules and fares.

FRALCONS CAPTURE
FIRST VICTORY
ON THE DIAMOND
On April 10 the mighty Caseys
of Farmington ground from the
dust their first diamond victory
to die season. The Holly nine
were the sufferers under the rain
to the Falcon's onslaught.
The game was placed beyond
the teach of even insurance men's
grasp by an eleven-un rally in
the Hrist inning. Dave Carley, the
hurler for the event, keld the
Holly nine to one run in the
fourth. To reduce the boredom
for the rest of the game the Falcons obliged with three more runs
to boot, thus totaling a pleasing
victory of 14-1.
The Falcons play, weather permitting. Redford Union on Tuesday, April 17, there, and Northville, here, Friday, April 20.

—T.R.

GENDER
MASCULINE

The Athleticus Farmintonitits
is a cross between the wolf and
the Falcon. He thrives best in
and out of doors, inside he disbilass a kittenish tendency to curup by old maids (Seniors to youn)
the salor runs pantingty, with an
overgrown brown ping-point bail
mand out of doors, inside he disbilass as kittenish tendency to curup by old maids (Seniors to youn)
the also runs pantingty, with an
overgrown brown ping-point
on a hard floor. When, however,
weather permits, he puts on a unform that gives him a sporillaitife teck and throws an undehydraed vitamin pill around, pausing
only long enough to extract his
teeth from his opponents hips.
He closely resembles a human
and times by one or the exert of the garden to the stream
of the work of the proper places.
Shall had been the proper places
can be the frience of the stream of the
ball had been to the stream of the
solution for the most necessary
