

**AUXILIARY WOMEN
WILL MEET
NEXT MONDAY**

The next regular meeting of the American Legion Auxiliary of Groves-Walker Post will be held Monday evening, June 11, beginning promptly at 8:00 p.m., at the Legion Home on Grand River Avenue.

(therine Carrier, Mrs. Alma Smith, Mrs. Gladys Smith, Mrs. Ella Kay and one guest attended the district meeting at Royal Oak on Friday night. A most interesting and impressive ceremony was held when Royal Oak was presented with the colors, by one of the Gold Star mothers.

Sunday at Ann Arbor, there were eight representatives at the finest chicken dinner a Post Auxiliary could produce these days. Every one enjoyed the companionship of our hosts and members of other posts. With the ladies, about 750 went very well, the commander being our friend, George Ge, from Walled Lake Post, who helped us organize here at Farmington.

It was told that now this District has ten times the strength it had ten years ago, and that Michigan has the finest Veterans of Foreign Wars organization of any state in the Union. The latter was a remark to our Department Commander, Maurice Cole, by a National officer in a recent visit to the State.

The Memorial parade and exercises were well attended and it is understood that next year it will be much larger. It was a nice day and with the new flags, the spirit of the Veterans of Foreign Wars was very high indeed.

It is regrettable to mention that many do not pay respect to our Flag when it passes. A community education of patriotism shouldn't be necessary after hearing the bit read at the Farmington High School of our boys who have paid the supreme sacrifice to protect that Glorious Flag.

It is with deepest regret that we must acknowledge that Ormond J. Auten has been missing since December 21 in the Pacific, and we all give our utmost sympathy to the Ralph Autens on Shawassaw. We hope and pray he will soon turn up O.K.

**LIVONIA
COMMUNITY
SCOUT NEWS**

On Friday, June 1, Livonia Scouters Roundtable was held at the Clarenceville High School. The main topic of the roundtable discussion this month was the district Boy Scout Camporee to be held at Riverside Park, Plymouth, on Saturday and Sunday, June 10 and 11.

These roundtable discussions are held the first Friday of each month, for all scout leaders in Livonia Community. These meetings are well attended and troop problems and community activities take care of. Why don't you attend the next meeting? On Saturday and Sunday, June 2 and 3, the last session of the Scouters' Camping Course, was held, as an overnight camp in Burton's woods. Although the weather was not with almost continual rain, the camp was very successful. Seventeen scout leaders were in camp for 21 hours, and the men learned that successful and comfortable camping can be had in any kind of weather.

Charles Adams is Scoutmaster, Louis Latta, assistant, Axel A. Ruffa, senior patrol leader, and George Middlewood, scribe. Three meetings had previously been held at the Clarenceville High School, and the overnight camp completes the course. C. D. Monroff is camp cook, and assisted by Ned Charter and George Middlewood. A complete camping program was carried out.

Rev. Sheridan of Hope Chapel conducted the Sunday morning church service in camp. Earl Silver, from Scout Headquarters, supervised the camp and expressed his approval of the camp and campsite.

The next training course will be basic scout training for adult leaders. This will start in the fall. Watch for the date. You would enjoy learning Scouting ways with the swell group of men in Livonia Community. Think it over. **DO YOU KNOW?**

That the largest organization in Livonia Township is The Boy Scouts of America?

That the Boy Scout program is also the fastest growing and most active of any organization in Livonia?

That if you are not a part of the Scouting program you are missing something you would enjoy?

That Livonia has more trained Scout leaders than any similarly populated section of Wayne County?

That there would be at least twice as many registered cub and scouts in Livonia if more adults would join the fine group of leaders we now have?

That you can become a part of this fine organization as a member if you are a boy or young man between the ages of 9 and 21, or as a leader if you are past 21 years old? There are jobs for both male and female adults.

The Community Commissioner is Walter E. Dixon, and Neighborhood Commissioners are Charles Adams, H. B. Stokes, Nelson B. Charger and Noble Gault.

Nelson B. Charter has been elected as editor of the Livonia Community Scout News, and any scout news or announcements should be given to him a week in advance.

All Scoutmasters, Cubmasters, Committee Chairmen and Scribes should write articles on activities for the column. Let's all help make our column a success.
