Arrange a place to keep your
shoes when not in use—off the floor,
in a shoe bag, cabinet or shelf. Such
practice keeps them from collecting
dust and being kicked around. Store
out-of-season shoes clean and in
good repair away from dust, damp-
ness and excessive heat so they will
be ready to step out at a minute's
notice.

Picks Up Pins
A small magnet is useful to pick
up and hold pins when sewing. Pins
can be taken off the magnet easily
as needed, and are not so likely to
scatter on the floor.
