DiSalle Boosts Ted Kennedy For Top Spot

WASHINGTON -- Senator Edward M. Kennedy may well be placed in nomination for the top spot on the Democratic ticket, by Michael V. DiSalle, former Ohio Governor and federal official.

DiSalle said this was a "one-man operation" at this point, and that his nomination move will come as a surprise to the Massachusetts senator, Edward Kennedy, younger brother of the late Robert F. Kennedy and president John Kennedy, is eligible for the job--he is 35 years old.

DiSalle said he had not discussed the matter with the younger Kennedy. Kennedy was not immediately available for comment.

WASHINGTON -- Senate Democratic Whip Russell Long announced Saturday he would oppose the nomination of Abe

and instead of showing any restraint they have continued a very substantial buildup of additional men and material in South Vietnam.

Clifford spoke after arriving home from his first tour of Vietnam since he assumed command at the Pentagon.

BURLINGTON, N.C. -- The suspect in the slaying of three men in the Bronx said he shot in self defense, according to his brother.

Bobby L. Rogers was in jail after surrendering meekly to police. New York police were being sent to North Carolina to take custody.

Henry Rogers, the suspect's brother, said:

"He did it in self defense. Those people came into the building where I am superintendent. One of them put a gun

News Round Up

Fortas as chief justice because of his Supreme Court positions on rights for criminal suspects.

Sixteen Republicans have joined in a fight to oppose President Johnson's appointment, including Michigan Sen. Robert Griffin. Long, along with a second southern Democrat, Sen. Sam J. Ervin, of North Carolina announced they would fight the appointment of Fortas as successor of Earl Warren.

Fortas was scheduled to go before the Senate Judiciary Committee Tuesday to take part in confirmation hearings.

JEFFERSONVILLE, Ind. -- Fire bombs damaged a restaurant where Miss Lola Belle Holmes, a Negro, spoke Friday night in support of former Alabama governor George Wallace.

City officials ordered an 11:30 p.m. curfew. Police reported stones and glass were thrown at firemen, and as crowds grew, fire bombs were thrown at two other businesses.

Mayor Richard Vissing, using an electronic megaphone, appealed for order in this Ohio River town near Louisville, Ky. The crowds finally dispersed.

MEMPHIS, Tenn. -- Strict security will surround the trial of James Earl Ray, accused assassin of Dr. Martin Luther King, Jr.

The trial promises to be the biggest in Tennessee since the famous "Scopes monkey trial" of 1925.

Newsman accredited to cover the trial, expected to be held late this fall, will be given identification cards, which will bear their photographs.

Elaborate precautions are being taken at the Shelby County Court House for the movement of Ray during the trial. A security line will be established to keep everyone without pressing business out of the criminal court building.

Ray is now in London awaiting an appeal of the extradition order.

NEW ORLEANS -- District Attorney James Garrison said he now has information that "successfully" penetrates the assassination operation" against President John F. Kennedy.

Garrison said he had exchanged information with a foreign country that verifies his statements that Kennedy was killed by "elements of the Central Intelligence Agency."

Garrison declined to identify the country, but did say that it is in Europe and is a foreign power that militarily is on friendly terms with the United States.

CHICAGO -- The South Highland Board of Education has approved the first step in a plan for integrating its school system.
