

Homemaking Department
Gives Annual Party

The annual Christmas Chocolate for the faculty was given by the Home-making department from four to five o'clock Monday afternoon in the Home-making rooms.

This affair was initiated six years ago by Miss Genevieve Johnston and has become a traditional part of the F.H.S. holiday celebration.

The second year group, which was in charge of the Chocolate, made special Christmas cookies for the occasion, while the first year girls were responsible for the decorations. The other classes assisted in serving. —M.J.E.

Locker Inspection
Begins Clean-Up

The first phase of the Student Council Clean-up campaign was begun last Thursday when a locker inspection was held.

As had been expected, many lockers were found to be untidy; in fact, the occupants of 43 were called from classes to clean them out. —H.M.H.

FALCONS
TAKE THIRD
STRAIGHT

Undeatable and untied is the way the Falcons' Quinist stands at present.

The Falcons, who conquered Wayne on Tuesday last week, returned to their home floor on Friday to wallop Clarencville 56-13.

The F.H.S. regulars started the game, and before the end of the first period they marked up 8 field goals and 2 free throws. The second stringers took over in the second period and raised the score to 26 before half-time. A new combination started the second half and ran Farmington's offense to 59.

Falcon scoring ran as follows:

PG FT Pts

Tyler, El. 3 2 1 8

Grecu 1 0 0 2

McLean 3 0 1 6

Carley 1 0 1 2

Nichols 3 1 2 7

Fisher 2 0 2 4

Conroy 1 0 2 2

Fendt 1 0 0 2

Garchow 1 0 0 2

Tyler, Er. 1 0 0 2

Turney 1 0 0 2

Kobman 2 0 0 4

Miller 0 0 0 0

VanHulle 3 0 0 6

Neff 0 0 0 0

Lawton 0 0 0 0

Muehling 0 0 0 0

The Junior Varsity also kept a clean slate to outscore Clarencville 42-11. Clarencville was outclassed all the way through as they found the young Falcons too hot to handle.

The Falcons' play their next game Friday, 7:30, at Clarkston. —B.C.

THUMBNAIL
BIOGRAPHIES

Nancy Smith
This Farmington belle, whose parents hail from the South, is 17 years old and possesses two blue eyes and brown hair. Ambition — Social work after college. Ideal Date — A 6 foot hunk of man with black curly hair.

Nan would like to dine and dance at a night club (in a few years, of course.) Favorite song — "Smoke Gets in Your Eyes."

Bill Conroy
"Busy" describes Bill and his sixteen years. To complete the picture he has sandy colored hair and blue eyes. Ambition — Music. Ideal Date — 5 ft. 1, hazel eyes, and brown hair. Hmm — sounds like someone we know. A stage show in New York would be the couple's destination. Favorite song — "Chopin's Polonaise."

Mary Ann Isley
Our "model" representative in some of the downtown Detroit stores is 17 years of age with flowing brown hair and hazel (?) eyes. Ambition — Modeling. Ideal Date — Tall, blond, broad shouldered and sophisticated. The handsome pair would go night clubbing in New York. (Nightclubs must hold a strange fascination for F.H.S. girls.) Favorite song — "Why Don't We Do This More Often?" —M.H.W.
