Michigan's Surplus Blood Plasma Is Released

New Impetus to Michigan's blood plasma for the development of a new plasma program is given by release of surplus plasma to the state by the American Red Cross.

Dr. William Dekleins, State Health Complistoner, said today.

"This additional blood plasma from the Red Cross will not in any way lessen the need for our state plasma program." br. Dekleine, state by the season are way lessen the need for our state plasma program." br. Dekleine, state, state properties and in the state out the state of the season are way lessen the need for our state plasma program." br. Dekleine, testing, the plast products for free distribution to Michigan doctors and hospitals." Among these additional blood products for free distribution of Michigan doctors and hospitals. Among these additional blood products for free distribution to Michigan doctors and hospitals. Among these additional blood products for the distribution of michigan doctors. Adequate supplied of these products are not available in Michigan. Until now, and to modify the disease in older children, and servina albumi, for treatment above resisted in some areas where demands of large hospitals exceeded the area's blood dozatalnia, valuable, free production of plasma and to modify the disease in older treatment of the past strains and to modify the disease in older treatment of the past strains and the michigan. Until now, and the area of the past strains and to modify the disease in older treatment of the past strains and to modify the disease in older treatment of the past strains, and the major past production of plasma has proved the strains and to modify the disease in older treatment of the past strains, and the major past production of plasma has proved the strains and to modify the disease in older treatment of the past proved the strains and to modify the disease in older treatment of the past proved the past production of plasma has proved the past production of the past p

Rejusemate Furniture
If when changing your furniture,
you find a fast ensibed surface is exposed, place a damp cloth over the
spot and run a hot iron lightly over
it. Brush the fufts gently in the direction of the pile.

Jet Planes Quiet
Because of the absence of vibration in the new jet-propolled fighters, small vibrators are attached to
the instrument panels to give the
constant 'jiggle' needed to assure
accurate instrument readings.
