

Were You One of the
286 "TABLED" Citizens
at Our Last Regular School Board Meeting?

Don't You Feel Wonderful Now?

What is THE School Board hiding
from the citizens?

Why does THE School Board duck
behind technicalities?

Why does THE Board hide behind
**the rights of immunity and
neglect their public duties?**

"THEIR POWER IS ABSOLUTE"

(Quotation by Counselor A. Leonard at Board Meeting)

Do You Believe This?

--Citizens Committee For Better Education
