LARGE CROWD ATTENDS MASS BAND CONCERT

"Rhapsody in Blue," "Gypsy Festival," and "March El Capitan" are only a few of the many outstanding numbers played by the 150 piece mass band at Farmington High School Auditorium last Friday.

Schools participating in this event were Algonac High School under the direction of Morris Stiles; Clarenceville High School under the direction of Arthur Mann, and Farmington High School under the direction of Lloyd Smith Jr. At 7:30 the bands marched through the town and then returned to the auditorium to begin their concert at 8 p.m.

In addition to the mass band was a woodwind quintet from Wayne University. A marimba duet played by Charles Gronlund, a Farmington High student, and Mr. Stiles also received a good applause.

Representatives from the Band Boosters Clubs of Clarenceville and Farmington gave short talks. The concert was free to the public. The directors say they plan to make it an annual event. B.C.

- This calendar is incomplete and subject to change. Any new dates will be mentioned later in this column. B.M.

Just 'Tee hee' and you can get out of a very ticklish situation, according to one of our observers. There was quite a mess over in the shop one day. Scrambled eggs with shells and all!

WINNER OF ESSAY CONTEST IS ANNOUNCED

Mary June Eberole has been announced as the local winner of the "What Can I Do For My Country?" national essay contest, sponsored by the Ladies' Auxiliary of the Veterans of Foreign Wars of the United States. Mary June received a prize of five dollars; her essay of a thousand words will be entered in the state elimination contest, the winning essay to be eligible in the national contest for a cash prize of one thousand dollars.

The purpose of the contest is to preserve and stimulate the high degree of patriotism which existed among our individual citizens during the war years. The contest was judged by Mrs. Fairley, serving as chairman; Miss Dammon, James Tagg, and Miss Ariene Flank. H.M.H.

CAROLE EDWARDS GOES TO DISTRICT SPELLING BEE

Carole Lee Edwards of 23563 Middlebelt, winner of the Eighth Grade Spelling Bee last Friday, April 5 won the School Spelling Bee. She will now compete in the District Bee, which will be held April 26, at Milford. Fern Smith of 3023 Farmington Road, was runner-up, alternate for the District Bee.

Miss Helen Thomas was in charge of the contest. Mrs. Margaret Rasay pronounced the words. Mrs. Carl Goers and Mrs. DeWitt Goodrich were judges. C.R.

STOP!!

In connection with the state law that cars in back of buses must stop when the bus does, the shop boys have completed the signs required for safety by the state and put them on the school buses.

Besides the large painted sign on the back of the bus there are two others, one on each side of the bus. By operation of a hand lever inside the bus, the driver can regulate the mechanism so these signs, which he parallels with the bus, are at right angles with the vehicle. The signs are yellow with black letters since the color yellow means caution. M.J.E.

Library Club Plans Outing

To enjoy a picnic after school on Tuesday, April 9, the Library Club and guests with Miss Abbott driving will go to Rouge Park. The business meeting will be held after the picnic. There will be book reviews by Nancy Smith, Francis Gilson and Margaret Maas. N.S.

'TIS SAID...

The boys in F.H.S. better hang on to their buttons. One fellow lost his recently. Everyone seems to be getting a brush-out these days. Involuntarily, I hear.

NEW CAMERA HAS ARRIVED

In its new ultra-modern press camera Farmington High School now has a very welcome and needed improvement for recording activities. This new camera has flash equipment attached, which enables it to take pictures inside buildings and at night. It will be used primarily to take pictures for the annual yearbook, but there will be numerous other uses. All activities around school will be covered to the parents and persons outside the school easily and clearly so that as many persons as possible can appreciate the work done by students on big dances, carnivals, operettas etc.

The money for this project was obtained from a fund started by classes of the past who left money in their treasuries upon graduating for some worthwhile project. This sum amounts to about half the needed amount of \$220. The remainder will be raised by methods not yet disclosed—possibly by a dance or through class assessments. B.M. and H.T.
