The Bohlinger residence on Mayfield Ave. has been rented and is now occupied by the new manager of the Kroger store in Farmington.

Because of a leg injury received in an accidental fall out Mrs. Raymond Ackerson of Hubbard Ave. has been confined to her bed for several days but is now much improved.

Shirley Zwalhen, who formerly resided on Farmington Road, was recently mustered out from the Wacs and at present is visiting in New York. Upon her return she expects to resume her old post-war employment with the Harry Wolfe Real Estate firm.

Mrs. Karr of Hubbard Ave. has been quite ill for two weeks.

Four year old Leslie Grundy of Hubbard Ave. is still on the sick list.

Harold McVicar, Jr. was ill all the last week.

Little Raymond Nelson is now ill with measles.

Two-year old Judy Muir, the daughter of Mr. and Mrs. Arthur Muir, has now passed the critical

stage in a severe case of measles. Gwynne Schmitt, daughter of Mr. and Mrs. Norbert Schmitt was reported ill in bed most of the last week.

Coastguardsman Donald Vance, second son of Mr. and Mrs. Gordon Vance spent his birthday Sunday on a boat in the Pacific. Greetings were mailed him by the Sunshine Sisters and sung for him by the Neighborhood Bible School.

"Christian work a calling—or merely a hobby?" was the question brought up for discussion at the Vesper meeting in the Neighborhood Church Sunday evening. The result was a series of interesting comments and a definite decision on the subject.

### GIRL SCOUT COMMITTEE MEETS TUESDAY

Oakland County Girl Scout Committee will meet at the Birmingham Community House at 12:30 p.m. on Tuesday, April 16. This will be a business meeting, with the availability of camping one of the main subjects of discussion. All adults interested are urged to attend.

Oakland County Publicity Committee for Girl Scouts will meet in the Girl Scout room at the Birmingham Community House on Wednesday, April 17, at 8 o'clock.

Mr. T. L. Svoboda of Rochester will address the meeting, discussing the more technical aspects of publicity, with a special glance toward newspaper photography. Mr. Svoboda has had considerable experience both as newspaper photographer and in his own studio, and his talk should prove a very valuable aid to all publicity people. Each locality is urged to send either the publicity chairman or other representative. All other adults interested in scouting are urged to attend.

SIXTH GRADE REPORTS AN ADVENTUROUS YEAR

The Sixth Grade of Farmington has had a very adventurous year. To begin, we organized a club to publish a newspaper which was called "Scoop" because our class decided to have two staffs and in a friendly rivalry each staff tries to scoop the other. As part of our club work we visited the "Farmington Enterprise" where each of us received a piece of "pi" from either for a souvenir. We have learned many things about writing for and publishing a newspaper.

Later this year, Miss Craig, our principal, came in to ask if we would like to be in charge of the Clothing Drive for our building. Mrs. Rasey, our teacher, suggested studying poster making for this project. We worked busily for days planning. Suddenly, the building blossomed with appeals for clothing. The result of our advertising campaign was a hall

bulging with bundles of all sizes. Our latest adventure is our "Book Fair" which opened the first day of spring. If you, like we'll take you on a tour with us to see the sights. To the right is the "Stories of Other Lands" booth with the large chalk scenes of "The Old Crook's Run" and "Robin Hood" above it and the dolls, from different lands surrounded by story books. Continuing around there is the "Frogs and Wings" booth, one named "Sails an Spray" and here underneath the stars and planets the "Mysteries of the Universe." Now watch out! This is the "Hall of Mystery." Yes! You heard a blood-curdling scream and that is the ghost coming out to tell you about her favorite mystery story. I'm sure you'd like to sit down after that scare and watch us go strawberry picking in a scene from "Heidi's Children" and see the English police catch a cat thief in another scene from "Peter and the Wanderlust."

### Required Volume Of The Various Vitamins

By Courtesy Of SMITH-BRADLEY DRUG CO.

A certain balance of Vitamin "intake" is necessary for continued good health. Whether or not you are getting a sufficient amount, can be determined through a physical examination by a doctor.

When you have this information, when you know that a deficiency is evident, be sure that you get the needed Vitamins and be sure that these are produced by a standard pharmaceutical manufacturer.

The doctor carefully calculates the required volume of quality vitamins to replace a deficiency and correctly spaces the number to be taken to meet individual needs.

This is the first of a series of Editorial advertisements appearing in this paper each week.

The very loveliest way to say "Happy Easter" is with a bouquet, corsage or plant of beautiful flowers. Because our flowers are scientifically grown in our own greenhouses, you're sure of the finest, most exquisite blossoms. Place your Easter order TODAY!
