## AMVETS

Perry Kenner Post No. 76  
Novi, Mich.  
We Fought Together — Now  
Let's Build Together.

Nell Holland, our State Adju-  
tant has started the legal ball  
rolling for that much needed ac-  
tion against the War Assets Ad-  
ministration, by requesting an in-  
vestigation through Senator Fer-  
guson. Holland cited specific in-  
stances in which veterans' pri-  
orities have been ignored while far-  
mored firms and individuals have  
been allowed to buy large quanti-  
ties of surplus supplies and ve-  
hicles.

Holland charges that Albert M.  
Kendall has purchased through his  
brother, regional WAA chief,  
amateur machines for the Active  
Tool Mfg. Co. Holland charges  
Eckford obtained these items  
without priorities, while veterans  
with priorities were unable to pur-  
chase the machines they wanted.  
Our introductory dance held at the  
Meadowbrook Inn was a big suc-  
cess. A huge crowd was out and  
a good time was had by all, es-  
pecially the winners of the six  
pair of nylon hose given away as  
door prizes.

The Novi Post wishes to thank  
everyone for the support we re-  
ceived.

The baseball game between the  
Amvets and the Wallied Lake Var-  
sity, played April 30, was won by  
Wallied Lake.  
The Amvets softball team plays  
its first game of the season against  
Northville on May 7.

We are still in need of both  
baseball and softball players, as  
drop around, fellows. Remember,  
you don't have to be a vet to play  
with us. Everyone is welcome.

At the meeting on April 23, the  
Exchange Club welcomed a mem-  
ber, Joe Norton, who now resides  
in Florida. Joe told of his work  
and the pleasure which he has  
found in his new home at Port  
Lauderdale.

The new Superintendent of  
Schools, O. E. Dunkel, was pres-  
ent as a guest and gave a short  
talk on his experiences of the last  
three years.

The Club voted to send flowers  
to Carl Schweizer who is ill in  
Pontiac Hospital.

The Town Crier, Emory Hutton,  
presented his enjoyable bits of  
wit and wisdom.

The meeting on May 8 will be  
in charge of John Adams who will  
present Milton Adams as the  
speaker.

Louisiana Independent Twice  
Louisiana has been an independ-  
ent state twice: for 10 months after  
revolt against Spanish rule in 1793  
and for six weeks after secession  
from the Union before joining the  
Confederacy in 1861.

## FROM THE FARM-BELT CIVIC ASSOCIATION

It's only a little over a week be-  
fore our first membership meet-  
ing. Will you be there? It will  
be at the Clarenceville High  
School at 8:30 p.m. on Saturday,  
May 11th. Refreshments will be  
served after the meeting.

Your association called to the  
attention of the Township, the fact  
that there has been dumping of  
trash along Farmington south of  
Bretton. We requested that signs  
be posted against this unhealthy  
and unsightly practice. Now that  
the signs are up we hope that  
those responsible take heed and  
properly refrain. We also thank  
those members who brought this  
matter to our attention and hope  
that other members will likewise  
bring to our attention other mat-  
ters requiring action.

We still need a little sugar to  
sweeten the coffee at the meeting  
next week. If you can spare a  
little please call 1595-J and we  
will pick it up.

Do you know how many mem-  
bers we have in the Association?  
Do you know what some of your  
neighbors' problems are? Do you  
know what form of civic improve-  
ment others feel is most impor-  
tant? For the answers to these  
questions and many more, plan to  
attend the meeting next week.

Do you have any neighbors who  
want to join before the meeting?  
If so just call 1595-J or write to  
Box 214, Farmington.
