Look for brilliance when you buy her **DIAMOND**

Nothing can take the place of brilliance in her diamond. No matter how low the price - how much of a "bargain" it may appear to be - its appeal is lost when brilliance is sacrificed. That's why it is so important that you choose carefully when you buy her diamond. If you'd like to know more about diamonds before you choose, we invite you to come in for a talk about them. There's no obligation - no need to feel that you must buy anything.

Illustrated—Brilliant diamond set in Orange Blossom engagement ring with two cut diamonds, \$345. Matching wedding ring with five diamonds, \$185. Price include federal tax.
