MRS. AXEL RUTILA

We'll be seeing you at our second annual Memorial Day parade Thursday May 30, at 9:00 a.m. at Eight Mile and Grand River. Veterans, regardless of affiliation with an organization, are especially invited to join in the parade.

The Ralph Lorentz family entertained the Easter Party committee of our Lady of Sorrows Parish on Saturday evening a week ago.

Rev. Gordon and Mrs. Gordon of Gaylord Baptist Church are attending the convention in Grand Rapids this week.

Mrs. Kenneth Swarthout accompanied the party from the Brush and Palette Club to Toledo last Thursday where they visited the Toledo Art Museum.

The Girl Scouts have distributed gaily colored canisters about the community to aid in the fight against cancer, America's No. 1 enemy. Your cooperation in a drive to raise funds to fight this dreaded disease will be greatly appreciated.

The John Grace P.T.A.'s presentation of "Meet The Misus" was attended by about 150 women. There were those present out of curiosity to see how such a program would fit into their particular charity's scheme of things.

The Edgewood Brownies held an entertainment and tea for their mothers and at the same time five of their number flew up into Mrs. Barney's scout troop.

The Haskell family of Negaunee spent Wednesday of last week at the tulip festival in Holland.

Mrs. Baras' troop of Girl Scouts ceremoniously presented their dolls to the kindergarten children on Monday afternoon.

Dorothy Sanker and Alvin Monette were among the young folks who attended Immaculate Juniors last night's social. Dorothy is a senior of that school.

Mrs. Manley Kelly visited with friends in Novi last week.

The Seniors had a glorious time by all reports on their trip to Mackinac Island by steamer. They left on Friday noon and returned Sunday at noon. They are such a nice bunch of kids they deserve the best. Mrs. and Mrs. McAthey and Miss June Jacques, their sponsors accompanied the class.

A meeting of Girl Scout Council members and leaders was held on Monday night to iron out the final details of Day Camp to be held June 22, 25, 27 and 28 on the Do-hany property.

The Juniors held a winner roast on the high school grounds Tuesday night.

The Boy Scouts of CL 2 and their leaders went camping at Lake Chemung Friday night and despite the several downpours, report a good time. The new tents did not prove waterproof, however, and apparently they are made for snow, not rain.

(May 16, 1946)
Mrs. Ralph Hodgson of Eight Mile Road entertained the members of the Band Boosters Club at a not luck dinner on April 30, the fifth anniversary of their organization. Their president, Mrs.

Satterfield, resigned on account of her health and Mrs. Breeman, vice president, takes the chair. The club has done a magnificent job during its five years of existence. The other three Mothers Clubs having also done a very excellent piece of work.

It was agreed that the Annual Mothers Club bazaar will be held October 11.

With the closing of Central School's lunch room two weeks early on account of current shortages of foodstuffs your correspondent has had a chance to resume her favorite pastime of watching the group while they are in their surroundings. The brown thrasher, Mr. and Mrs. Cardinal and Mr. and Mrs. Catbird take their morning bath together in the pool while Mr. and Mrs. Wren talk about ten times their size into their house, and come out only to sing about it. They never seem to take time out for a bath. We hope to continue to talk about our forty plus varieties of birds who make their home around here during the spring and summer and we want them to continue to do so though we are out enjoying the rural stage.

At the Mothers Clubs Council meeting it was learned that the Parents Group are to sponsor the Dental Clinic which will be resumed the early part of next year. The group will assist in the Clinic during a nine weeks period and furnish funds for a Dental Assistant.

toward outfitting our baseball team.

The baseball game between the "Victors" of Dearborn and our team was postponed because of wet grounds. This Sunday, May 26 finds our team facing Clarenceville on their diamond.

Our softball team opened its season, losing to a Northville team, 27 to 15.

The following are new members who joined the past week: Victor Webber, Charles Miller, Ronald Lamontagne; Bob Van Stickle of Walled Lake; Harvey Bush of Farmington and Bill Martin of South Lyon.

LOCALS

Mrs. Edwin Landard of 9 Mile Road will entertain several ladies for luncheon and sewing on Friday.

It seems that the sixth grade of the Farmington school has quite a baseball team. They played Our Lady of Sorrows sixth grade Monday night and O.L.S. was in the lead during most of the game, but Farmington won 14-13 by the last couple of minutes. We had better watch those sixth graders. They're going places.

Mr. and Mrs. LaVerne Turner and family spent the week end with their parents, Mr. and Mrs. Clarence Bickling and Mrs. Dora Turner.

E. L. Bradley has been laid up with a cold this past week.

The John Simpsons spent Sunday in Fowlerville.

James Hogie is down in bed again.

Miss Haddock and Mr. Elliott of Grosse Pointe, spent Sunday afternoon at the home of Mr. and Mrs. E. L. Bradley.

Mrs. Clarence Bickling has returned after visiting her daughter, Miss Christine Bickling, who is attending college at East Lansing.

Sunday afternoon Mr. and Mrs. Charles G. Langley of Farmington gave a surprise birthday party for their son, Robert, recently discharged from the service. It was Bob's first birthday at home in three years.

Helping make the dinner a complete surprise was his wife, Evelyn. Other guests were Mr. and Mrs. Charles Neff and daughters, Vivian and Shirley, Mr. and Mrs. Ralph Neff and son, Dennis, from Detroit and Harry Smith and Mr. and Mrs. Robert Dalley and William Langley from Farmington.
