The second Cub Pack meeting at the High School on Friday evening was a huge success. A table for each den, loaded with handicrafts, kites, bird houses, scrap books and other craft was an excellent indication of how enthusiastically this program has been received by the boys and parents. The skits they gave at the Plymouth Hobby Show were repeated and they were exceptionally good. The elephant, clown, the wild leopard and his trainer, the light rope act, the tumbler and others were very well done. Commissioner Dixon, representing headquarters, presented their charter. The next pack meeting will be an out-of-doors affair and no doubt will be at Burton Woods. The Packs are also meeting for soft ball competition throughout the summer months.

The high school grades have been celebrating the closing of school in various ways. SA chose to have a dancing party on Friday evening with refreshments. Their sponsor, Miss Halverson, entered into the spirit of things and every one had a splendid time. The lower grades are having their parties on Tuesday afternoon. Mr. Mann's seventh grade are meeting for a softball game on Friday, with refreshments afterward.

Mrs. Dave Ryall gave a luncheon at her home on St. Francis as the May birthday contribution to the Blue Star Mothers school of events.

Signs of summer are surely here with the carnival that moved in to be in operating condition this last week end, and no doubt you've noticed what a change it is to cross Grand River on a Sunday afternoon or evening. We still feel the State authorities should have the light at the intersection of Eighth and Grand River operating at a regular stop and go signal, even though they always tell you statistically prove less accidents when it operates as a blinker.

At the election for Student Council held last Thursday, Clara Kattus placed first and Connie Carothers second. A capable pair to lead next year's student body.

CLARENCEVILLE PTA GROUP IS GROWING

The Clarenceville Parent Teachers Association met at the High School on Tuesday, May 21 at eight o'clock. The interest and attendance at these meetings steadily mounts, showing how really needed and appreciated this organization is.

Guest speaker was Mrs. Knobloch from Lincoln High School who gave a most interesting talk on the school looking at the home, and the home looking at the school. The speaker made valuable suggestions on how the two might be drawn together by the varied educational and recreational programs offered. Family evenings for both the school and the P.T.A. were suggested. Mr. Belser spoke well of Mrs. Knobloch's offered plans.

Mrs. Scanlon was appointed chairman of the summer health roundup of students and newcomers to the school next year. Mrs. Vos and Elise have offered their help and time in this project.

Mr. Coder is in charge of summer athletics and reports a well organized ball league already set up, with the Livonia Recreation League.

Although this was officially the last meeting until September, it was decided to have a summer social program. Henry Troutcaud is director for this activity. A family picnic for P.T.A. members and friends was held Monday evening during the evening. The pictures of last year's Memorial Day parade in Clarenceville were shown.
