We Fought Together — Now Let's Build Together.

The bi-monthly meeting of the Amvets Post 76, was held at the usual time, 8:30 p.m., at the Novi I.O.O.F. Hall.

The main portion of the business of the meeting was election of a new Post Adjutant to replace Kenneth Rains, who has recently left to make his home in St. Louis, Missouri. William Rackow was elected to this post. Good luck, Bill. I am sure you can "cut the mustard" as we would say in service.

The rest of the meeting was occupied with a talk on the veterans' training in aviation, by Danny Macdermott, who has done quite a bit of investigating along those lines. So, men, if you care to test your ability to do a few barrel rolls, Danny is the man to contact.

Preliminary plans were also made for a Post outing.

Last Thursday evening before the high school graduation, a party was given for Robert Newlin by his parents, Mr. and Mrs. George Newlin. Friends of Bob's friends of the '46 Graduating Class were invited.
