HATTON'S FARMINGTON HARDWARE

FROM THE FARM-BELT CIVIC ASSOCIATION

At the regular Board of Directors Meeting held on June 24, 1946, plans for the picnic were further discussed. There will be games and prizes for all.

A complete drainage system for the entire district was also discussed.

If there is a young man or young lady in your family who feels he or she has the knack for journalism and would like to write a column for the Farm Belt Association, please submit copy, with all events of interest to the membership and to themselves. All copy will be read at the regular board meeting and the one we feel contributes the most interest to our readers for that particular week will be published in our space in the Enterprise, with a credit line. Here's a chance for any budding columnist to gain valuable experience. We are sure there must be a few in the district who are thinking of making writing a career and we will appreciate any help toward making this column interesting to the members. Let us hear from you by mail, or if you would like a more complete explanation, phone any time.

Our vice-chairman, Lyle McGlocklin, was visited by Mr. H. H. Bingham and Mr. Verner Kemp seeking information as to the actions of the Association's directors of late. Mr. McGlocklin willingly answered all questions put to him and we feel that said members had a better understanding of the workings of the Association. We are pleased at the realization that we do have members interested enough to call on us from time to time to clarify any questions that might arise in the membership. All comments should be addressed to Farm-Belt Civic Association, Post Office Box 274, or phone Farmington 3421.

Thank You
