# Commission

(Continued from Page One)

commission felt that perhaps it would be possible to do what hatching was needed, and wash he walls and ceilings, without he necessity of repainting. Mr. lones will proceed to get bids on

Jones will proceed to get bide on the work.

Mr. Main, a member of the infringham City Commission, discussed the replatting of Oakwood Cemetery. He advised the Commission to take steps as quickly as possible to establish monuments and base lines, in order that each and present time, it is most difficult to locate graves, particularly in the winter time, and many at the monuments caunot be found. As a, result, considerable control to the comments of the found of the comments of the found of the comments of the found of the comments of the commission.

Request Water problems.

thinke to the commission.
Request Water
A stopp of Township residents
personed a petition to the City
requesting water. They would pay
the entire cost of installation if
the water was brought along Grad
like to Com. Avenue. The commission referred the matter to the
univer commissioner, but stated that
they did not wish to take on any. 

De lase witer supply.

Bob Aulgur, whom the City
Commission sponsored to Wolverline Boys' State gave an excellent
report of the boys' encampment,

Larnad while what he learned

A communication was read from the Slate Highway Department in regards to Installing a flasher tight at Farmingon Road and the Qut-Off. The City Clerk was instructed to write the State Highway, asking for a signal light, raher than a flasher light, and also equesting some signs, to post for induste the speed of automobiles inproaching the intersection. City Auditor Glenn H. Lejand are the auditor's report for the iscall year ending.

approaching the intersection.

City Auditor Glenn H. Lejand
gave the auditor's regort for the
facal year ending June 30, 1946.

He also made the request that
tieps, be taken immediately to
place curbing along his property
on Grand River Avenue. Afr. Leland has been trying unsuccessfully for two years to get this
durbing. The City cannot lay the
durbing, but neither have they
been able to get any sattsfaction
from the County Road Commission or the State Highway Department. There is approximately 120
feet of curbing to be laid.

The commission voted to place a
treet light on Grand River at the
Straington Lamber, and Coal
Company. The street is very dark
durt at this spot and has been considered quite dangerous.

Retrieve the State
Highway Department, have
been
ordered for the City Park.

All commissioners were present
at the meeting including Harrison

All commissioners were present the meeting including Harrison obnson, who was appointed last tionth to fill the vacancy created by the resignation of Trace Con.
