percentage basis, the Township carries 59 per cent of the expenses of this office, the balance divided between Farmington City and Novi Township.

Superior Blanchard stated that some action on zoning for the Township should be taken. The Board proposes to hold a meeting with the zoning board in the near future for the purpose of organization, and explaining their work. If the zoning board wishes, consulting engineers will be called in to meet with them and start the work of laying out the Township for zoning. This will be done within a very short time.

City Zoning

\$20,000, effective September 1. Commissioner Jones reported that he had contacted several local decorators to secure bids on the redecorating of the City Hall, and the lowest bid was made by Veterans' Painting and Decorating Service. The redecorating will be done just as soon as plastering and repair work following the recent fire has been completed. The Commission also approved installation of fluorescent light fixtures in the City Building. Eight fixtures with ten 40-watt tubes in each fixture, will be installed in the main room, with smaller fixtures in the Justice Court room.

WEST POINT PARK

By
MISS L. A. AULT

Miss Gloria Sidelinker is spending the week end with relatives in Pontiac.

Miss Ina Mae Tallman has returned from a vacation spent at camp with the Pioneers of the Menominee Church in Brightmoor. At the brush demonstration party, "Tom Broomman Breakfast" style held at the Jack Tallman home last Monday, Mrs. Margaret Martin, the oldest lady present, was presented with a handsome corsage, and Miss Alice Jane Vancie received the wishing ring. Each woman in attendance wore a fancy hat of her own design and Mrs. John Varhol, whose bonnet was a creation composed of garden vegetables and grasses, won first prize.

Wallace Buckingham has been having a vacation visit with friends in Detroit.

Robert Judd and family from near Grosse Pointe, were guests of Mr. and Mrs. E. W. Stange the first of the week.

Friends of Mrs. Leslie Mansfield, who formerly lived in this community but now resides in St. Petersburg, Florida, hear that she is seriously ill with pneumonia. Grandma Mansfield is in her 90's. Mrs. Nora Cowger, formerly of Seven Mile Road, but now in the Six Mile district, has been seriously ill in the hospital, but is now sufficiently improved to be home again.

Fred A. Ault was calling on the Camerons in Redford, Thursday afternoon.

Orange Blossom

HIS PLACE...in the land of the free!

"There's a place and means for every man alive," said Shakespeare. And who is more deserving of his place than our Joe whose sacrifice is securing the liberty we all love and enjoy? Joe works so easy, keeping him life. Most of all he has a job—a chance to improve the golden moment of opportunity. Even now his charming bride-to-be is waiting for a happy tomorrow, and she needs her genuine Orange Blossom diamond engagement ring as a radiant reminder of their sacred promise. Let's save a place for Joe, or make a place for him when he comes home—tomorrow!

VON BURG'S

22009 GRAND RIVER AVENUE

About twenty women friends of the bride's mother, Mrs. Joseph Roberts, were present. The honored guest received beautiful gifts, and delicious refreshments were served at the close of the evening.

Mr. and Mrs. Richard Dowdy (Marguerite Whyte) are building a new home on Pickford and Farmington Roads.
