IT'S A CAKE!

CHICAGO, ILLINOIS — Pastry Chef John Zenker celebrates the first year of operation of the Congress hotel with a huge replica of the building, complete in every detail. United States Army Air Forces took over the Congress during the war, using the structure in its training program. The huge cake, marking the first year of operation since the Air Forces relinquished the hotel, was put on display in the lobby; and then served to hotel guests.

A most interesting talk on the Japanese War Crimes Trials was given at the Farmington Kiwanis Club last Wednesday evening by Harold H. Emmons of Detroit. Mr. Emmons, formerly a Major in the United States Army, was a member of the defense council at the War Crimes Trials held in Tokyo. He related many interesting stories about his experiences during the trials, and gave first-hand information concerning the attitude of the Japanese. Jim Warner was in charge of the program. His topic will be "That Foolish bug had sponsored to attend War Crimes Trials!"

verline Boys' State, spoke on his experiences while attending Boys State. His father, a member of the West Dearborn Kiwanis Club, thanked the Kiwanians for sending Bob to Boys' State, and briefly elaborated on the activities of this annual event.

Jim Grahek is in charge of the program to be given next Wednesday, September 11.

SPORT HIGHLIGHTS (By Bill Conroy)

In last week's issue of Sports Final an article appeared that concerned a group called Leo Clotier's Rambling Ranchers to which three Farmington Valley Saddle Club members belong and those individuals are Marilyn Eichler, daughter of Mr. and Mrs. Elchler of Nine Mile Road, Edwin Her, son of Mr. and Mrs. William Her of Gill Road and Junior Fendt, son of Mr. and Mrs. Leo F. Fendt of Gill Road who for the past six weeks have been working day and night to develop a good old-fashioned square dance on horseback.

Under the able assistance of Leo Clotier of Detroit this group of horse lovers has captured state wide popularity with their colorful and interesting exhibitions and it is anticipated that before next year the Rambling Ranchers, which now includes eight riders and eight mounts, will be increased to 16, a full two set quadrille.

On August 22-23-24 the square dancers traveled to Windsor, Ontario where they performed at the Second Annual Windsor Horse Show and received a rousing hand clap at each performance.

Again on September 1 the Rambling Ranchers received top billing as they traveled to Romeo for
