the converts and their families in the vicinity slaughtered.
"In some cases," says the dlary, "the Christians thought it better, to be roasted in their houses than to try to escape." (She herself decleded that she might as well be massacred in her pink slik dressing gown with a pink bow at her neck as in her golf clothes.)
On the 19th of Jane, the Chinese governments offered to give legation members their passports and escort them and their families to the port. There was a division of opinion as to whether to trust the Chinese. In the evening the Cemman minister started to confer a second time on the question when he was murdered in the attreets.

Atwood warned that payment are not automatic. A claim for them must be filed with the Social Security Administration. He advised any survivor of a veteran of World War, II, whose death occurred after discharge to contact the Social Security Office in Pontiac if they are not already receiving a pension from the Veterans' Administration.

Atwood explained that "Social Security Administration" was an ew name for the Social Security Doard. It does not affect in any way the selvices rendered by the local office. approved.
