More laurels to Mr. Samuels and his Trojans who defeated Northville in the last minutes of play in last Friday's game, 15 to 12. Jack Riddell was certainly the hero of the day. The victory was celebrated with a dance in the evening.

We are glad to report Mr. Wurtzbacher's return from the hospital following surgery.

The Fred Bailey's licked the meat shortage for themselves, and a number of relatives, with a successful hunt in the duck marshes. If the men of today are put to the test, they come through for their families. This calls to mind the one time I won at a before-thanks giving feather party. I drew duck, of course, after struggling with the removal of the feathers, gave it to a neighbor who knew more about how to do the job successfully.

**WORST AIR CRASH**

STEPHENVILLE, NEWFOUNDLAND — U.S. Army Airforce Photo — Soundphoto — This air view shows the burning wreckage of the American overseas airliner in which thirty-nine per cent, half of them women and children, perished when it crashed into a boggy, hidden mountain side near Stephenville, Newfoundland. It was loaded from an air transport command plane piloted by Col. Howard Maxwell, commanding officer of the ATC base at Harmon Field, from which the ill-fated plane had taken off a few minutes before the crash enroute to Berlin.

Our local meat shop proprietor, Mr. Kette, has to take plenty of ribbing in this present emergency, such as "hooking" his hamburger machine, and the fact that he has hearts and livers but no other meat.
