THE BLUE AND WHITE

FOOTBALL HELMETS ARE PRESENTED TO SENIORS

At the pep meeting preceding the Farmington - Redford Union football game, helmets with blue and white ribbons were presented to the senior players by Joan Adams and Pat Wheeler.

Seniors who made their last appearance in a Farmington football uniform are S. Packard, Captain Don Kohnman, D. Dellinger, D. Doll, H. Lawton, R. Augur, T. Goers, R. Gerds, C. Horvath, R. Chesley, R. Redner, B. Coleman, and J. Fend.

With Jerry Kosmiansky acting as master of ceremonies, the Farmington band played two marches, "Across the Field" and "Indiana"; the students cheered louder than they had at previous pep meetings; and Mr. Duncanson gave a short talk on student support and sportsmanship.

The band led out to the field, followed by the cheerleaders and then the students. L.L.

What's Doing In Shop?

The Shop Class is divided into groups, each having a different project. In this way not all the same tools are used at once. To complete shop, pupils must pass tests over plumbing; wood, sheet metal, and glass work; plus electricity. H.H.

'TIS SAID . . .

What is the big joke about Duane Bell's car? Why not tell us? We'd like to know.

Mr. Maatila seems to move everyone's seat in government class. That is, all except Jerry Miller, but then, he probably would prefer being isolated, as he is, anyway.

The Redford Union students appreciated the football programs that were given out at the game last Friday.

"Rumors are flying" that the freshmen are going to give a big class party. Good luck, Frosh!

BOND SCHOOL CLUB FEATURES CITIZENSHIP TALK

The Bond School Mothers Club held their regular monthly meeting on Monday, November 18, at the school.

An interesting talk on "Citizenship" was given by Mr. Joseph K. Boltz, of the Detroit Board of Education.

Further plans were made for the Keno Bridge party to be given by the club on Friday and Saturday, December 6 and 7, at the Bond School. The club has as a goal this year, the purchase of a movie projection machine for the school, to be used for educational and amusement purposes.

Mrs. D. D. Anderson and Mrs. E. Pyrola, assisted by the fourth grade mothers, served refreshments after the meeting.

A cordial invitation is extended to everyone interested in Bond School children, to attend all future meetings, which will be announced in the Enterprise.

They're making "tracks"

for more telephones in FARMINGTON

A good many folks are still waiting for telephones here, simply because we haven't the wire and cable we need to connect their homes with the central office.

We've ordered enough to give service to everyone who is waiting. But, continuing material shortages have seriously slowed production. It may be some time before we receive it. And then — we'll need time to install and connect it into the system.

In an all-out effort to install telephones for as many waiting applicants as we can, we have loaded our present facilities to the hilt. If you are waiting for a telephone, you can be sure your order will be filled in its proper turn as soon as equipment is available.

Meanwhile, our facilities are serving more telephones and handling more calls than ever before, which means that service for everyone may not always be as good as we want it to be. We're sorry when that condition occurs, but you can be sure that we are doing our best to get additional equipment as soon as possible.
