Harrison '72 Baseball Story Like Wine: Improving With Age

Farmington Harrison without the services of a opened last baseball season with six straight losses but this year it could be a different tale for Dick Tyler's Hawks. The "Infant" of the three Farmington high schools compiled a 5-12 loss record

"Our nucleus is the junior class. We have 10 juniors on the varsity."
Harrison will be running into stiff competition in the Western Six in Churchill, Waterford Mott and Northville. Mott captured league honors last season with a 6-0 mark, with the Hawks in the basement at 1-5.
"We should be coming around this year," added Tyler. "But I think we are one season away from the title."

Morrison also hurled 43 innings in his sophomore season in earning a 2.6 ERA with a 3-5 record.
Pacing the seniors are infielders Tom Young and Jeff Kallgren and outfielder Dave Manos. Young compiled a .119 batting mark last season and scored 0-6 on the mound, and is looked to concentrate this season on his work in the infield and at the plate.

THE KEY to the Harrison attack lies in the bat and arm of 6-1, 175-pounder Gary Morrison. The junior left-hander paced the Hawks last season with a .333 batting

KALLGREN blasted 13 hits in 53 at bats for .245 and Manos was second highest with .279. Dan Hickey was being counted on for a strong bat this season but will be lost for

U-M Prof Joins Battle For Girls' Competition

LANSING
A University of Michigan authority on constitutional law has joined the battle for state legislation that would allow girls to compete in interscholastic noncontact sports with boys.
In testimony before the Michigan House Education Committee, Prof. Yale Kamisar argued that the current Michigan High School Athletic Association rule prohibiting females from competing in such interscholastic sports as tennis, golf, track and swimming constitutes a denial of equal protection under the state and federal constitutions.
(The committee later voted to report out to the floor a Senate bill allowing females to compete in noncontact sports.)
The U-M law professor suggested that "the principle of non-discrimination requires that high school girls be considered on the basis of their individual capacities and not on the basis of any stereotypes about girls generally."
Responding to the argument that female participation in varsity sports would force an "unpleasant association" upon male athletes, Kamisar pointed out that the males have a "reciprocal freedom" not to compete if the participation of females displeases them. But this freedom, he said, must be subordinate to the right of females to compete.
KAMISAR likened the problem of equal equality to the racial sphere, where a black's right to serve on a jury or live in a particular neighborhood takes precedence over a white man's freedom to

Plymouth Baseball Season A Big ???

This should be a rebound year for the Plymouth High baseball squad which finished seven and 12 last season in a tie for the league's No. three slot. But it is fast becoming filled with question marks.
The Rocks boast six returning lettermen and have six key junior prospects up from the junior varsity but Coach Wayne Sparkman is a little leery of the outlook.
"We have a very inexperienced team this season," said Sparkman. "This has to be truly a rebuilding year for Plymouth."
Senior John Owens is the lone returning pitcher with only one decision to his credit. The infield is being built around the talents of seniors Jim Grimmer and co-captain Dave Hees.
Dave and his brother Dan are the Rocks co-captains with Dan the only returning outfielder.
SPARKMAN is looking for Allen Park transfer student Larry Graves to put a real surprise in the Plymouth attack.
"Graves could erase one of the question marks we have in the hitting department," said Sparkman.
Keith MacDonald, Steve Robb, and Rob Willette head the list of hopeful junior hurlers.
RON EGLOFF and Jeff Stringham should round out the infield with Steve Crowther working for a
