WEST POINT CHURCH TO HAVE EASTER EGG HUNT

Following an annual custom, the West Point Church of Christ, Seven Mile Road and Farmington Roads, plans to give another party for the children on Saturday afternoon, April 5, beginning at 1:00 p.m. The highlight of the afternoon will be an Easter Egg hunt. Assistant Superintendent, Delbert Allen, who has charge of the program announced that all children of the community would be welcome. Parents are also invited and a gala time is expected for all.

CHRISTIAN SCIENCE CHURCH ELECTS NEW DIRECTOR

The Christian Science Board of Directors of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, have announced the election of Alfred Pittman, C.S.B., of Boston, to fill the vacancy on the Board caused by the resignation of W. Stuart Booth, C.S.B., who is returning to Denver, Colorado, where he will continue his work as a practitioner and teacher of Christian Science. Mr. Booth served eight years on the Board.

Sam Prisk To Graduate From Dentistry School

Sam Prisk, the son of Mr. and Mrs. W. J. Prisk of 34145 Cambridge, will graduate from the School of Dentistry, Washington University, St. Louis, Missouri, on June 12 of this year.

Mr. and Mrs. Gerald Wolf who recently moved from Detroit to their new home on North Farmington Road called at the C. D. Hasling home on Sunday.

THE BLUE AND WHITE

JUNIORS DEFEAT SENIORS IN BASKETBALL GAME

Last Wednesday the senior members of the basketball team played their junior team mates. Grecu, Fisher, Taylor, Hibern and Yoder were chosen to start by Junior Coach Haller. Neff, Pond, Lawton, Dellling, and Horvath represented the seniors. The seniors took an early lead and at half time led their under graduates by six points. Duane Dellling paced the seniors with 14 points, and Tyler racked up 20 for the juniors. The final score was 48-41.

After following the boys all season, I would like to add that they looked better against each other than they did against other teams all season. All the boys were hitting the basket much more regularly.

F.H.S. Students On Treasury Broadcast

Three Student Council members, Joan Adams, Bob Chesley and Bob Aulgar, Monday, March 22, participated in a 15 minute discussion of the treasury savings program on station WJLB. Mr. Randall R. Penhale, director of the School Savings program, acted as forum chairman.

Utility Payrolls
Payrolls now constitute the largest item of utility expense, now having posed out taxes from top place.

Honored Woman
A Kansas town elected the first woman mayor in the world—Mrs. Medora Salter of Argonia in 1887.

EDITORIAL

Now that spring is just around the corner and baseball season is nearing, the old problems of playing catch in front of the school and gym arises.

Many small children are jumping rope, running, or just standing about outside, and there is the danger of their being hit by a ball. Also cars parked along the road stand a good chance of having their windshields broken.

For your own safety and the safety of others, if you want to play catch, go either back of the gym or down on the athletic field.

AH-CHOO!

If the halls seem less crowded around "good old" F.H.S. this week, it's because about 20% of the students (including the seventh and eighth graders) are home nursing the flu.

Out of the 650 students attending F.H.S., approximately 139 pupils have been absent during the past week.

Income From Milk

Milk as a source of cash farm income was 14 per cent of all farm income in 1945—larger than hogs, over twice wheat or eggs, and three times cotton or tobacco. One out of every 18 families is dependent on milk for a livelihood. More than 26 million cows on three-fourths of the nation's 5,877,000 farms produce

Advanced ROTC Students To Use Tanks At MSC

A 40-ton Pershing type tank arrived at Michigan State College recently for use in training of advanced cavalry and infantry students in the college's extensive R.O.T.C. program. The tank is the first of several pieces of modern motorized equipment expected at the college sometime in the near future.

It is believed that Michigan State is one of the first colleges in the country to receive a tank for use in its R.O.T.C. program. State at present has the second largest R.O.T.C. unit in the country, with training offered in eight branches of the service.

Faculty Women Hold Reunion

Twenty members of the '46-47 Farmington faculty met at Elm's White House Friday night for an old time get-together. Those attending were Mildred Abbott (Dearborn), Louise Lockman (Grosse Pointe), Laurice Tamber, Phyllis Gardner (Birmingham), Mable Gran (Redford), Elinor Hoeflin (Big Rapids), Vera Craig (Ecorse), Margaret Raser (Detroit), Dorothy Bade (Detroit), Oral Stubbs, Mary Alice Longtin, Marion Dammon, Gladys Otis, Betty Parsons, Donna Plunton, Lulu Loomie, Helen Thomas, Virginia Carley, Eldora McCaskill, and Margaret Cottrell.

Shop Exposition Interests Many

At the P.T.A. open house Tuesday evening Mr. Shell's shop class displayed their progress for this year. The display on the west end of the gym had a foreground covering the fields of metalwork, electricity, woodwork and plumbing. For a background, the wall was covered with mechanical drawings by groups one to three.
