RESCUE IN MID PACIFIC

SOMEWHERE IN MIDPACIFIC — SOUND PHOTO — Seven crewmen are shown clinging to Jacobs ladder, slung over side of liner General W. H. Gordon after two of her lifeboats capsized in heavy weather attempt to rescue ten men stranded on sinking bog section of tanker Fort Dearborn. Crews of both lifeboats were rescued but stranded sailors were subsequently rescued by motor launch from S. S. St. John Victory, also standing by the scene of wreck. Arrow points to one crewman still in water while deck hands swing from ladders like monkeys, affixing lines about arms and shoulders to lift swimmers out of water. Knotted ropes hang from davits from which lifeboats were launched.

FARM BUREAU ENJOYS MEETING AT WIXOM HOME

The West Farmington Farm Bureau met at the home of Mr. and Mrs. Perry Wilson on Eleven Mile Road on Thursday, March 20, with 19 adults and six children present.

Chairman Howard McCracken, district leader Wendell Green and recreation leader Lyman Bush were unable to be present because of illness. We sincerely hope they are feeling much better now.

Ray J. Howard, vice chairman, took charge of the meeting and in place of the usual procedure, Mr. Howard gave a report on the Farm Bureau drive. He also spoke on the Blue Cross Insurance, after which the report of the secretary and treasurer were read and approved.

A large part of the evening was given to the Sinclair Refining Company who showed a motion picture on farm planning which makes working and living conditions more convenient on our farms. The picture was followed by a musical film on some of the old time favorite songs, and the program was concluded with a comedy for the children.

The bureau extends its appreciation to the Sinclair Refining Company for these pictures, which were enjoyed very much.

Since this was the second anniversary of the Farm Bureau, special anniversary cake with ice cream and coffee was served. Thanks is extended to Mr. and Mrs. William Abrahamson on Twelve Mile Road.

Respect Dead With Rugs As moderns express respect for the dead by placing flowers on graves, in the orient it has been the custom since earliest times to hang oriental rugs over graves.

Every day at the church at Redford, where the patriarchs Abraham, Isaac and Jacob are said to be buried, oriental rugs are hung in respect for the great men.

been determined who was responsible for the accident.

GREYHOUND

WATCH THAT KITE!

WATCH where you're flying it, fellows. Keep it away from electric wires.

WATCH out for metal ribs in kites and for metallic-wound kite strings. They may be dangerous conductors of electricity.

Don't take chances with wet cotton kite strings, either. If your kite hits a high-tension wire, you may be badly shocked.

WATCH that kite—but look out for wires and cars. Play it safe... and play it smart!
