#### VETERANEWS

VETERANEWS
(Continued From Page Two)
It is the number the Adjutant General is joing to assign to the particular bolus application.
There is another part to, the
question: A lost discharge, but
the original discharge was recorded
by the County Clerk. The Adjutant General has indicated that he
found Clerk in lieu of a lost discharge, but a certificate from the
County Clerk in a certificate copy or
photoslatic copy accompanying this
certificate must be a copy of the
original and so certificate by the
County Clerk. And, when the benus application is submitted, the
endorsement "Centripted For MICHIGAN VETERANS" MILITANY PAT" must be endored on
the certificate from the County
Clerk.

A veteran in Albion asks: I nave two honorable discharges for wo periods of service. What do

A. It you have two discharges, you will need to file an application for each discharge. There is only one exception to this, and the answer to that comes in a question from a Woman's Army Corps Vet

eran.

Here is the answer to another question which has been asked frequently. If you are asked to witness a veteran's application, do not fail to put down your street address as well as the name of your city

up that the civic auditorium had to
be engaged for two days instead of
one—and as in congress, the seisions lapped over until evoning.
Supporting the skiers' proposal
were the California State Chamber
of Commerce, the California Stat association and 18 ski clubs. That
was about as expected.
It was the determined opposition

was about as expected.

It was the determined opposition that radsed syebrows. The opposition included the skiers who like their sport in the raw, along with church group representatives with summer camps at the edge of the cource group representatives with summer camps at the edge of the primitive area; spokesmen (or wa-ter companies who wanted the area kept. In wilderness so as to con-sarve its watershed values for or-ange growers down the valley. In between were the thisters, the sports-men, women's clubs, nature lovers-natural science groups (the area has six forms of plant life that grow nowhere else) and civic cubs. I men there were the letters pour-ing in from all parts of the country— so many that the Forest Sorvice both in its California office, and in Washington had to resort to the mimeograph machines to answer them. The letters roted overwhelm-lingly againet critizing the srea via ski tows and hotels. Now it's up to Watts.
