STUDYING VOICE

PAMELA NORDWAY

The Farmington friends of Miss Pamela Nordway, daughter of Mr. and Mrs. Carl Nordway of Farmington, are most interested in her progress she is making in her studies of music in New York City, where she is now studying with Agnes Forde. In addition to her vocal work, Pamela is taking instruction on the piano and cello, as well as some curricular work at Columbia University.

Pamela returned to New York last Friday evening, after spending a week here with her parents.

EXCHANGE NOTES

G. V. Harrison, principal of the Farmington High School, gave an interesting talk Wednesday noon before his fellow Exchange members at their regular meeting. Mr. Harrison spoke on the subject of "Better Schools."

He stressed the need for better real estate investments, and the selection of school sites that will be adequate and advantageous. He also pointed out the importance of cooperation between the people within the district, and those of neighboring communities.

Mr. Harrison also brought out the necessity of better moral and spiritual growth, and what is being done to bring this about.

Next week Wednesday "The Old Traveler" will be present at the club meeting, and he is sure to have something for everyone in the audience.

Miss Ruth Kripko Given British Decoration

Miss Ruth Kripko, daughter of Mr. and Mrs. Julius Kripko, 33729 Oakland Avenue, was one of a group of nine persons to whom medals were presented by D. F. H. Brice, O.B.E., British Consul General in Detroit, at an informal investiture at the home of

the consul general in Grosse Pointe last Saturday afternoon. Miss Kripko, who was a member of the Woman's Army Corps, was the only woman of the American Armed Forces, to be so honored. The medal was given by the British Government in recognition of the work which she had done on their behalf during the time she served in the American Army.

KIWANIS NEWS

A most interesting talk about early Michigan and the history of the Republican Party in our state, was given last Wednesday at the meeting of the Farmington Kiwanis Club, by H. D. Brown of the Detroit Historical Society and Museum. It was interesting not only from the standpoint of furnishing some historical facts about which most of us know nothing, or very little, but also because it brought forth names with which we are familiar in our own local history.

This week Kiwanians are joining with Kiwanians of the 11th District in a division meeting to be held with the West Bloomfield Club at Rotunda Inn.

On May 7 a Ladies Night will be held at the Trenton Channel Plant of the Detroit Edison Company.
